News

VOL. LXXXVI NO. 31 15 CENTS PER COPY

FEB. 8 PRIMARY CRITICAL

The stage has been set for the February 8th special primary election for members to the newly revamped Lake County Board of Supervisors.

Eight Republicans and four Democrats are set to do battle for the five spots available each party in district four.

There is also the possibility that an independent will run for the vacant fifth spot on the democratic ticket.

The make-up of the County Board was altered to conform with the recent one-man - one vote ruling of the Supreme Court.

Prior to the ruling successful Township Supervisor candidates were automatically appointed to the powerful body.

Where before the area, comprising district four, had six members on the board, now they can have but five.

District four which includes Antioch, Avon, Fremont, Grant, Lake Villa and Wauconda Townships has 12 avowed candidates in the primary.

The winners will be decided on the basis of the top five vote getters in each party.

Because there are eight Republicans seeking the five berths, three of them will be "high and dry" on February 9th.

The four Democrats are assured a place on the regular election ballot.

The election takes place despite the efforts of those who felt it "was an unnecessary duplication" and should be run at the same time as the other primary, March 21st, thus saving the taxpayers approximately \$200,000.

Republicans from district four seeking the five posts include: incumbent supervisors Lloyd "Red" Murrie of Antioch, Norman Geary of Avon, George Bell of Fremont, Harry Robin of Grant, Ronald Coles of Lake Villa and Robert Dickson of Wauconda.

Democrats fighting for a seat on the board include Ralph Berger of Antioch, Carl Seaholm of Grayslake, Ralph Montrimas of Lindenhurst and Harold Kaiser of Round Lake Beach.

Political sources see the democrats as posing little threat to any of the republicans except possibly Murrie, in the regular election in heavily republican Lake County.

"Red Murrie", Antioch Township Supervisor and candidate for the board said in an interview held earlier, that the prospect of facing republican candidates from more populous townships could mean that smaller townships, such as

Antioch, could "lose their voice and vote on the board."

Murrie said that since the top five vote getters would win, a larger township would have "a decided advantage".

"Because these townships do have more population than their neighbors they might even coin two posts," Murrie added.

As the district is set up now, the five member contingent is sure to rob one of the six townships of their representation.

Political insiders speculate that Murrie may be hurt by a democratic challenger from Antioch, Richard Berger. Democrats have, in the past, crossed party lines in the primary to help Murrie to ensure township representation on the board.

However, Mrs. Grace Stern, Lake County Clerk informed us that there is a 23 month wait before you can make a switch in a primary. This means that those requesting either a republican or democratic ballot on March 17th, 1970 will still vote in that party's primary.

The election of Murrie is deemed of "critical importance" due to the fact that the County Board has a life and death say on all matters regarding county roads, planning and zoning, sewage and water, taxation and elections, public works, judiciary and finances.

Murrie is currently the chairman of the all powerful finance committee. He is also a member of the important Liquor License Commission and vice chairman of the Planning and Zoning Committee.

One Liner

If there were more Self-Starters, the Boss wouldn't have to be a "Crank".

VILLAGE BUILDING SOARS

A report presented to the Village Board on January 17th, by Building Commissioner Walt Delaney indicated that Antioch has reached a new peak in building construction.

Figures released showed there was an increase of nearly a million dollars in 1971 over a similar period in 1970.

A total of \$2,509,802 was spent on building construction, additions, alterations and small projects. This compares to \$1,634,160.56 spent the previous year.

The increase can be traced to the completion of three 12 family apartment buildings, two new commercial facilities, eleven commercial alterations and six industrial additions.

The cost of these projects was \$1,294,658, an increase of over a half million dollars.

While the number of single and two family residences decreased; the amount spent for them was nearly equal.

One of the biggest advances was in new commercial alterations. This past year \$342,497 was spent in comparison to \$74,461 in 1970.

Another big increase was noted in industrial alterations. Six projects cost their owners \$169,112 in 1971. In a similar period of 1970, there was an outlay of only \$7,600.

Previous to 1970 the Village was the site of construction totaling:

1963	\$1,315,555.00
1964	870,655.60
1965	739,073.00
1966	732,395.00
1967	866,388.00
1968	879,911.00
1969	1,102,547.00

Spong Cites Chamber Leadership

(Editors Note)

The following are some excerpts taken from remarks made by retiring Chamber of Commerce President Grant E. Spong at the Annual Dinner-Dance held January 15, 1972 at the Antioch Country Club. We of the NEWS felt that this part of Mr. Spong's remarks had meaning for everyone in our community and so, with his permission we are reprinting them here for your benefit.

"Many a town is on the map today because of the good work of the Chamber of Commerce. Many a community has been saved from disaster because of the Chamber's boosting.

Who knows the good points of our community better than

us? We have the ability, understanding and influence to put across the things we undertake.

The Chamber can do much in bringing about the harmony and prosperity of a community, however, this can't be done by lip service, but by the participation and work of all the members.

Antioch is a place not only for the Chamber but other organizations as well. There is leadership in many endeavors who are not content to see this community lacking in any of those things which a village should have. We all want our

Village Board Contracts Lake Co. Reg. Plan Commission

The Village Board of Trustees in another of their lengthy sessions made several important decisions at their January 16th meeting.

The board agreed to support the Little Silver Lake Improvement Association on their planned damming of the Little Silver Lake drainage.

Wayne Erickson, a representative of the group presented the case and was pleased that the Board was in favor of the project.

A study compiled by Walt Delaney, Village Building Commissioner, was presented to the board showing that

building construction in the year 1971 had risen by nearly a million dollars.

The last major decision was the board's acceptance of the Lake County Regional Planning Association as advisors to the Village on future village planning.

The board contracted the Waukegan based group to provide their "Phase I" services, which include an economics and population study, transportation and land use surveys, community financial structure, plus a design and environmental framework.

Cranston Byrd, the

Commission's representative, assured the board that Phase II of the program could be implemented at any time, even during Phase I. The village is especially interested in the traffic flow and parking studies of Phase II.

community to be beautiful and progressive, free from political intrigues, crime, poverty and sordidness. We all want a place where the citizens will be proud to call home, and the influence of which will follow the young people through life.

Cities, villages, clubs and individuals may appeal for aid to the government, the

legislature, village boards, or business organizations, singly or in groups with little result. They do not possess sufficient influence, arguments or eloquence to command attention, but if the Chamber of Commerce becomes convinced of the justice of their demands, they will find behind them a powerful agency which I believe is one of the greatest friends that business has ever known."

St. Peter's will start the Annual VIP of 1972 with nominations for the VIP starting today. Anyone may nominate a candidate from the Antioch community by calling 395-1217. The Dinner Dance committee will then select the VIP of 1972 from the names submitted.

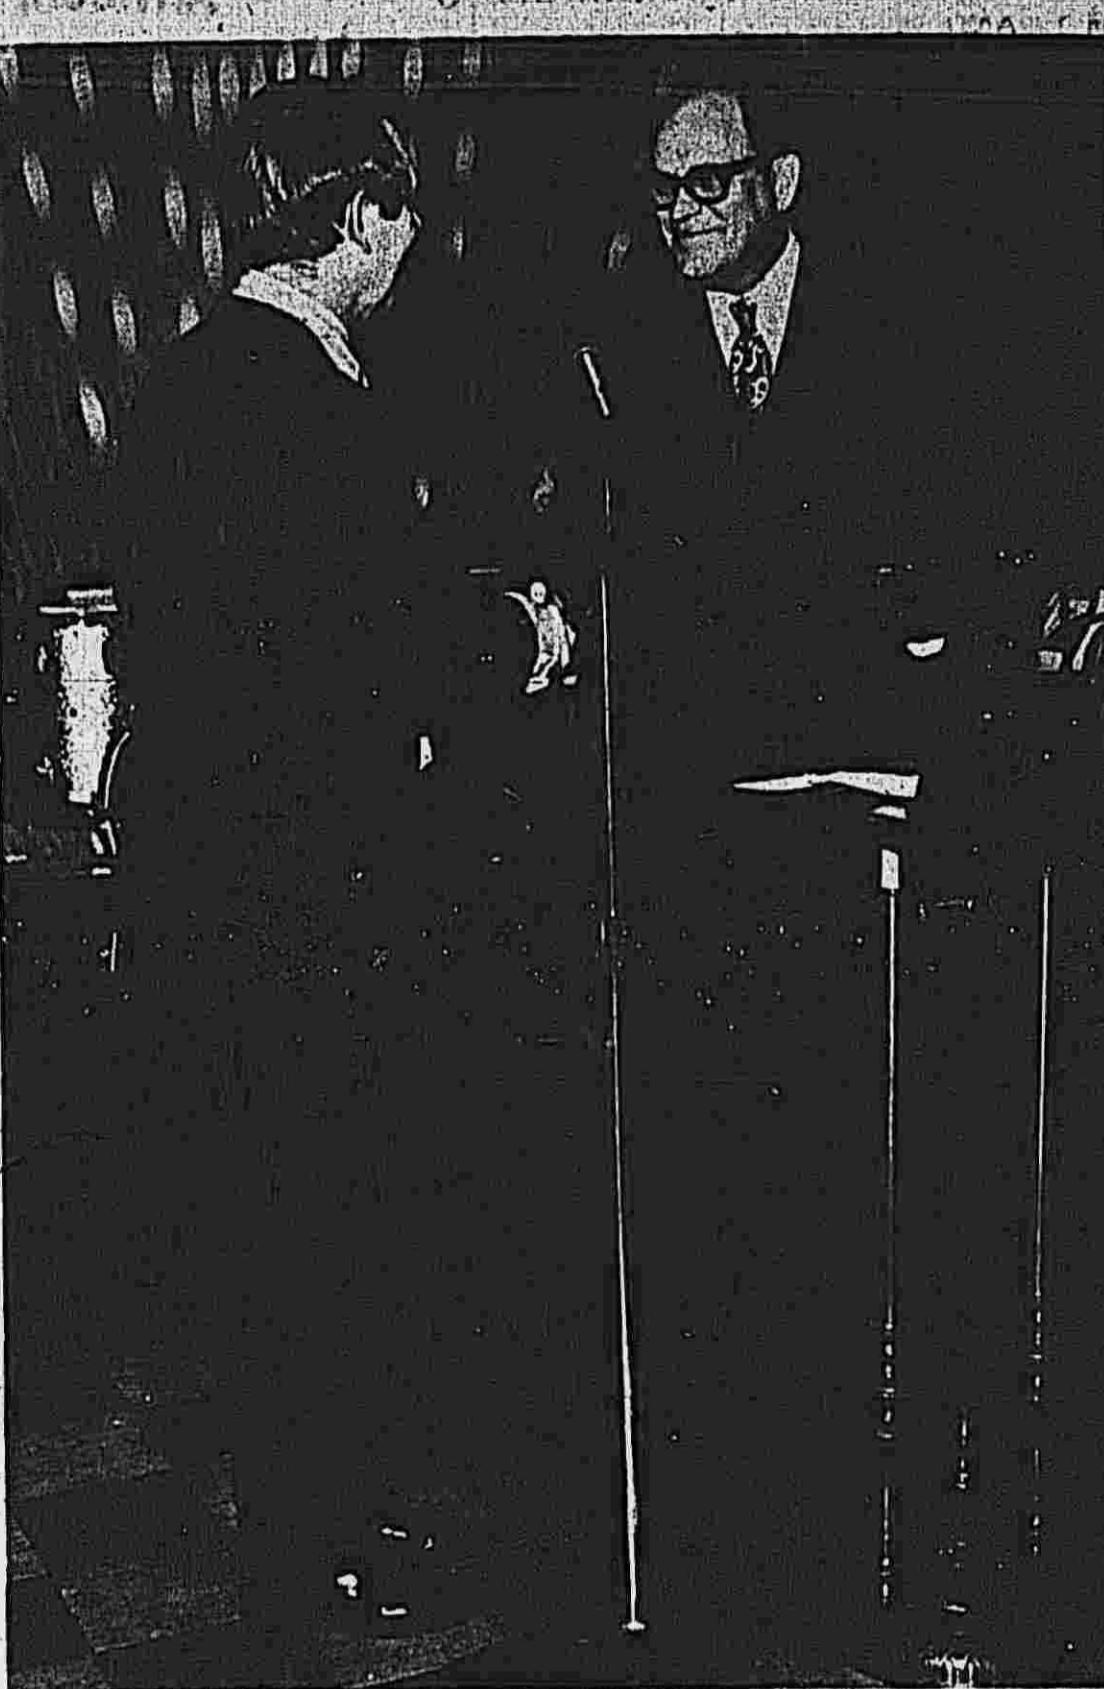

The VIP Dinner Dance is a benefit for St. Peter's which has been given annually for the past three years.

SAVINGS BOND PURCHASES UP

Lake County residents purchased a total of \$127,841.00 in Series E and H United States Savings bonds in November, according to Richard F. Kennedy, Waukegan, Illinois and Richard D. Newland, Waukegan, Illinois county chairmen of the savings bonds committee.

Purchases in the state of Illinois were up 16.3 percent for a total of \$29,080,313 according to Clarence S. Sochowski, market director of the Treasury's savings bonds division.

Illinois sales represented 6.4 percent of the national total of \$457 million and 105.0 percent of the state's 1971 quota of \$313,600,000 has been reached in the first eleven months.

Jack Fields, M.C. of the Annual Chamber Installation Dinner-Dance, presents Grant Spong with plaque in recognition of his years service as president of the group. (Staff Photo)

When Should A Man Have His Portrait Made?

There are at least five occasions in the life of every man which should be recorded with fine professional portraits.

Distinguished times which shape the character of a man and leave their marks on his physical appearance. Only fine professional portraits can capture such significant changes and record them for posterity:

1. When the "boy" becomes a man and he begins his life's work.
2. When he's made his mark in business, won his first promotion or taken a positive step upward on his own ladder of success.
3. When fellow citizens honor him through recognition of his leadership qualities or philanthropic acts.
4. When his children leave home to take their own places in the world.
5. When he reaches the "proud years," the realization of jobs well done.

These are times for portraits, to mark these significant events and tell the life of a man to future generations.

If you are approaching one of the milestones, arrange now—before it's too late—to have a fine professional portrait mark the occasion.

It's later than you think!

Our Government?

As typical average American's, from time to time we raise our complaints as to how OUR government is run. We use the word government most often in reference to a mysterious group of people who make important decisions concerning our future.

At times we are in complete disagreement with decisions that are made and the people who make them. Also as we watch and hear how some of these persons, or politicians work we become very disillusioned with their conduct, and concerning a few, the total lack of honesty and moral fiber exhibited on their part.

How do we as Americans justify this lack of confidence and faith in OUR government. Most often we pass it off as being a way of life of which nothing we can do will alter the fact. If we are completely honest with ourselves we know this is not true and because of our voting rights guaranteed to us by our constitution we could alter our government at any given election, that is if we all honestly exercised this right.

Where does this process begin? It begins at the most important level of government, that is the local level. We have an opportunity in three weeks to begin to make the government, OUR government, what we would like it to be. On February 8th we have the primary election for the County Board of Supervisors. For us in Antioch this could be as important an election as any we will face during this election year. The County Board will have as much direct effect on us and our way of life as any one single body in government. Because of the reorganization in our county system, if we follow the usual pattern of a poor turn out at a primary election we could feel the effects for a long time to come. Both the Village and Township of Antioch need a strong and honest voice on our County Board of Supervisors, we will not have one unless we as voters put one there through our voting power. For a change let's act before the fact rather than complaining after the fact.

CONGRATULATIONS

The ANTIOCH NEWS would like to join with the many others in saying Thanks to Grant Spong our retiring president of the Chamber of Commerce. Through his leadership the chamber has gained new meaning and status for the business men in our community and to the community as a whole. To the new president, Mr. Hillard Tobieski, we give our very best and it is our sincere wish that he have a successful term as Chamber President for 1972.

We of the NEWS agree with both Mr. Spong and Mr. Tobieski, that with the inevitable growth and rapid changes that are going to happen to Antioch we need a strong and progressive Chamber of Commerce.

WEDNESDAY JANUARY 19, 1972

THE ANTIOCH NEWS Page 3

Our Congressman

During the recent Congressional Recess a question frequently asked concerning possible amnesty for American war exiles.

It is estimated that more than 70,000 young men of draft age have fled our country in order to escape military service - possibly in Vietnam. Most of these would like now to return to their homes - and the governments of the countries where they have sought refuge would be happy to have them leave.

MC CLORY

Recently some Democratic Presidential aspirants have recommended complete amnesty for all of these draft evaders who would now like to return home. Presumably, this also would include amnesty for some 3200 who are now serving terms in jail as draft dodgers.

The most frequent recommendation directed to

this Member of Congress was for no mercy whatever. A typical comment was "Let them stay in Canada or Sweden or wherever they are."

While the rate of departure to escape the draft increased sharply following the escalation of the Vietnam War in 1965, the situation is not too unlike that of World War I in which there were 164,000 draft dodgers or World War II where there were more than 20,000 convictions for violations of the Selective Service laws. Following both World War I and World War II, modest numbers of draft evaders were granted amnesty (about 1500 in each instance). However, these experiences are dwarfed by the present proposal affecting the 70,000 war exiles.

A logical and compassionate alternative has been proposed by U.S. Senator Robert A. Taft, Jr., of Ohio, who has introduced legislation (S.3011) which would grant amnesty to most draft evaders who voluntarily return to this country, provided they accept military or other Federal service such as duty in Veterans Administration or Public Health Service hospitals.

According to recent surveys, the proposal of Senator Taft appears to have substantial popular support. Some who favor this solution have in mind that alternatives to combat duty are appropriate in the cases of those who felt so strongly about Vietnam that they deserted their families and their country. In addition, it is clear that not only the

individuals who have exiled themselves but their families and loved ones are made to suffer when the condition for returning is certain imprisonment for 5 years or more.

As the Vietnam War winds down to a complete termination, the issue of the exiled draft evaders will gain prominence on the Congressional agenda. It would seem inequitable and wholly unjust to all who have served in the military as volunteers or as draftees to excuse and welcome home those who evaded the draft by fleeing to other lands. Still, it is difficult to contemplate a permanent population in exile numbering some 70,000 or more.

A comprehensive solution is bound to emerge. But not without differences of opinion being expressed and emotions being sparked.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

Post Office Selling Tax Information Booklet

A booklet that gives information on how to fill out Federal tax returns will be sold at 405 Orchard St. Postal Service facilities in the Antioch area Postmaster Walter Barnas announced today.

"Your Federal Income Tax" was written by the Internal Revenue Service and contains many examples to illustrate how the tax law applies to actual situations. A special feature of the booklet is the sample, filled-in return, Form 1040, keyed to pages where explanations can be found for each entry on the return.

The 160-page booklet will be on sale January 13, 1972 and costs 75 cents a copy.

By selling this booklet at postal facilities in the Antioch

area we are offering a convenient service to our customers," Postmaster Barnas said. "We are participating in a nationwide program to make the tax booklet available to the public in 15,000 postal facilities."

Another popular IRS publication, "Tax Guide for Small Business", Publication 334 can be obtained by mailing 75 cents to Supt. of Documents, Department T. Government Printing Office, Washington DC 20402.

This publication answers many questions businessmen have about Federal income, excise and employment taxes and also contains a 1972 tax calendar with due dates for various tax and information returns and payments.

Women Work, "Year Round" To Aid Mentally Handicapped

Charity, for some people is a seasonal issue. It manifests itself in a flurry of public-spirited activity only to later fall dormant.

While these crusades are going on, a small group of Antioch women quietly work "52 weeks a year" to make life for the mentally handicapped less tragic and pathetic.

The Antioch Mental Health Association and its 32 members put in many hours of time and labor to raise funds for this, their constant concern.

These women are the driving force behind the Antioch Thrift Shop.

Located at the southwest corner of Lake and Main Street, the Thrift Shop deals in merchandise that has been donated, repaired and refurbished for resale.

The building, which had formerly been the home of the First National Bank and was prior to that, an opera house, is filled with articles, ranging from clothing to household appliances.

According to Mrs. Zaida Vos, the store manager, "all the articles have been donated by area people." She said that "people from the area have been very cooperative. They give us so many nice items."

"Many people don't realize that if we don't get these donations, there won't be any business and so no money for the mentally handicapped."

Proceeds earned by the shop go toward two most deserving projects; the Grove school in Lake Forest and Lamb's Farm in Libertyville. Both institutions are dedicated to help the plight of persons who are severely mentally and physically handicapped.

Articles donated to the store are carefully cleaned, mended, pressed and returned to saleable condition.

Mrs. Vos commented that before anything is put on the shelves or hung on a rack it is given "a thorough once-over."

"Many of the items that are donated were once fairly expensive," she said. "Very

Mrs. Zaida Vos (left) and Mrs. Ruth Pickus pose behind some merchandise on display at the Thrift Shop. (Staff Photo)

often we receive clothing that simply went out of style and is seldom worn. We could probably give them a higher pricetag, but we try to help all the way around."

She said that the purpose of the Thrift Shop was "three fold."

"First, items which were donated and sold bring in money that we give to the two organizations to help the mentally handicapped."

"Second, articles which we feel would require too much work or that we already have a large selection of are sent to missions in the South and elsewhere."

"And last the things we offer here for sale are all genuine bargains."

Mrs. Vos said she recalled a man who came in and bought

two suits, a car coat and an overcoat for under \$20.00.

"All of these items were in first class shape. People donated them for various reasons and this gentleman got a great bargain."

The Thrift Shop, which is open Thursday through Saturday from 10 a.m. to 5 p.m., contains a wide variety of merchandise. Anything from clothing and appliances to antiques and bric-a-brac may be found on its shelves.

Mrs. Vos noted that "area people have been very generous," but noted that they are "always in need of saleable merchandise."

She had special praise for Mrs. William Schroeder, owner of the building.

"A real Angel. She gives us the building rent free and even pays for the heat."

Mrs. Vos Said that this was a

big part in cutting costs of the operation. Officers of the Antioch Mental Health Association are: Mrs. Pat Lorenz, president, Mrs. Dolly Speiring, vice president; Mrs. Ruth Jedele, treasurer, Mrs. Edna Heins, secretary and Mrs.

Louise Vos, chairman of the Thrift Shop.

Mrs. Louise Vos termed the Thrift Shop "a most rewarding experience" for the women volunteers.

C.M. Cermak "ALL STAR" Agent

Mr. Charles M. Cermak of American Family Insurance Company in Antioch qualified as the Illinois Allstar Agent for the year 1971. He is one of the top agents in the state of Illinois.

Charles and his wife Linda were awarded a weekend at Pheasant Run playhouse where

they will attend the dinner and playhouse. Accompanying them will be the District Manager for American Family, Mr. William Stanley and his wife who have just become residents in the Antioch community. Mr. Stanley's district is the top district in the state.

PETE PEARSE AWARDS "PLAYMATE of the YEAR"

Mr. Pete Pearse of Antioch, and dealer of Moto Ski received a phone call from the Moto Ski Distributor of Detroit, Michigan. Mr. Pearse was notified that Miss Sheryl Lee - one of the Playmates of the Month pictured in the Playboy Magazine - has been selected as Playmate of the year - 1971.

Miss Sheryl Lee is from Mt.

Prospect, Illinois. She will come to Antioch to receive the presentation of the Moto Ski Mini Sno.

The Antioch News will feature the presentation in one of the following issues. Mr. Pete Pearse has not been given a definite schedule for the presentation at his Dealership located at 882 Anita Avenue, Antioch.

Along the Way with Annie Mae

Looks like everyone has been touched by the flu bug... or, many are in the hospitals with other ailments. Get well wishes to NANCY BOARINI, MRS RICHARD RUCK, MRS MARGARITE NELSON, MARY BETH WALSH, and BONNIE GEMBARA. Also NANCY KIEMLE, MRS MAME HUNT and OFFICER FRED MILLER.

TIM MIEURE, hurry and get well, those Varsity Sequoits need you... Coach Norm Hahn's Sophomore's are undefeated in Conference play, with their double win last week-end. Keep up the good work fellas... Also, Freshmen, Sophomore, and Varsity wrestlers are all-in first place. Looks like it can be a good year for our Sequoits. Help support your teams, attend the games and matches.

BEV RECKERS had a rough time this past week fighting the flu herself and having PRES in the hospital in Chicago. Pres is home now so that they can recuperate together.

Happy Birthday to PEG WEBB on January 17, JEFF GUTOWSKI on January 21, CLEM HALEY and CHRIS MILLER on January 22; MARY CARNEY on January 27; ADELINE NEYRINCH on the 28th; MARK HALEY and BARBARA MADDEN on the 29th of Jan.

Congratulations and best wishes to one of our local basketball teams (newly formed this year) they are named "The Beans". They are coached by RON JURIWITZ (half-back for the Lake County

Rifles). The team so far has a 4 win no loss record. Players are; RICK SIMON, KEN STERBENZ, MIKE GUILFOYLE, BOB HUEBNER, GREG CRUTCHFIELD, JERRY JACOB, & MARK RZYSKO. Most of their games are played in Waukegan league. Keep up the good work guys!!

Here tell that MR & MRS BILL SEEMAN (teacher at A.C.H.S) are the proud parents of a brand new baby boy. He weighed in at 9 lbs. 12 oz. on January 11.

A ski mishap has put sophomore TOM ROBINSON of Deep Lake layed up for a few weeks. Seems he broke his leg...

Good luck to our new Lions Club President, GUS COSTOFF. This organization does lots for the community.

Wedding bells will be sounding in May for KEITH BOLTON and GAIL KUMPFER.

Imagine how bowler "LOUISE GUTOWSKI" felt when her 13 year old daughter, JULIE called from the bowling alley a couple Saturdays ago to tell her she bowled a 223 game. First she thought she was kidding, then . . . !!!

The Antioch Chamber of Commerce Dinner-Dance turned out to be a fine affair. Here tell there was a big crowd, the food great and the women beautiful. What more can you ask?

Re-Organization Of Area JC's

The Illinois State JC'S have given the Lake Region JC'S until February 25th to re-organize into the Antioch area JC's with a minimum membership of 20. If re-organization is unsuccessful, the charter will be pulled and the chapter will no longer exist.

To revive the membership in the Antioch and Lake Villa Township area the 5 remaining members of the Lake Region JC's are planning a series of informal get-togethers to introduce young men of the area into the JC movement.

Men under 35 who are interested are to call JIM BOROS at 395-6861 to be scheduled for one of the informal get-togethers. Following the series of informal meetings, the Antioch Area JC's will hold a re-organizational dinner in mid February at the Angels.

The Lake Region JC's has been in the area for 14 years but the membership has slipped to just 5 members.

Aiding in the re-organizational efforts is the State Vice-president Bob Neal of Wadsworth as well as Mundelein and Waukegan North Chicago JC's.

Mayor Ray Toft has endorsed the re-organizational efforts and is aiding Jim Boros in providing lists of the eligible young area men.

AIRMAN PAUL J. LITCHFORD

Airman Paul J. Litchford, son of Mr. and Mrs. Woodrow Litchford, Rte 1, Antioch, Ill., has graduated with honors at Lackland AFB, Texas from the technical training course for U.S. Air Force security policemen.

Airman Litchford, who was trained in security and law enforcement, is being assigned to K.I. Sawyer AFB, Michigan for duty with a unit of the Strategic Air Command SAC is America's nuclear deterrent force of long range bombers and intercontinental ballistic missiles.

The airman is a 1969 graduate of Antioch Community High School.

Remember When?

Remember when? We don't, but maybe some of you do. We know it's Antioch, but just when and where is another story. For the next few weeks we will publish a photo from a

time long past in hopes for some it might spark a fond memory.

If you should happen to know when and who, let us know! We would be very much interested. Also if any of you

have a very interesting "remember when" photo of Antioch and would like to share a memory with others, we will try to print it for you. The above photo is through the courtesy of Bill Brook.

Several phone calls this week gave us information on our "Remember When" picture of the Antioch Palace.

The Palace brought memories back to many residents of the area. Located on the corner of Rt 83 and Beach Grove Road, the Palace was an elegant establishment. Boxing matches were held there and Big Name bands entertained in the dance hall.

The Palace was built in 1927 by Richard Macek as a dance hall and boxing arena. Known as the world's Greatest Resort Ballroom - the life of the Palace was ended on September 12, 1931 in a NO

INSURANCE \$100,000. fire. Cause was due to faulty wiring. Being further than 2,000 feet from Loon Lake made it very difficult for the fire department to haul water. It was a total loss.

JUDY MIEURE

PLEDGED

TO SORORITY

Judy Mieure of Antioch, Illinois, has formally pledged Sigma Sigma Sigma Sorority at Eastern Illinois University.

Sigma Sigma Sigma is one of six Greek letter social organizations for women with chapters chartered at Eastern.

Channel Lake Chatter

M R N O R M A N HEIMBRODT of Grapevine ave is a patient at McHenry Hospital. I'm sure cards from his many friends and neighbors would be very welcome. Get well soon!

The CHANNEL LAKE PTA will present a movie entitled "The Cat" on Tuesday, January 25th, after school. Children staying for the movie must have their own transportation home. The charge for the entertainment is 50 cents per child with refreshments being served.

Be sure to put February 14th on your calendar as the first PTA meeting at the Channel Lake grade school. The program will feature the PM&L doing a special selection to entertain all that attend. Make a late New Years Resolution to attend and support your PTA and other parent and teacher organizations.

35 YEARS AGO - JANUARY 21, 1937

"Jack Morrow of Libertyville talked on "The Far East" before the members of the Antioch Women's Club Monday afternoon at a meeting held at the home of Mrs. W. C. Petty."

"The twenty-first organized municipality in Lake county was born Tuesday with an election of a full set of officers and was christened Round Lake Beach. John J. Lynch was elected president of the baby village."

"Antioch's table tennis experts dropped a red hot thriller to the Cyclone Fence squad of Waukegan Monday night in the ping pong arena under Murphy's Midget Eat Shop. The score was 8 to 7."

25 YEARS AGO - JANUARY 16, 1947

"The second in a series of fox hunts in the campaign currently being sponsored by the Antioch Hunting and Fishing club will be held next Sunday morning. All interested will assemble at the corner of Lake and Main Streets, Antioch."

"It was men's night at the Parent-Teacher Association meeting at Antioch grade school Monday and they were responsible for the program. Twenty-two men provided the social hour for the 40 women. Bob Wilton, Elmer Baethke, and Loren Trabert proved a very efficient dishwashing committee."

10 YEARS AGO - JANUARY 18, 1962

"Representative W. J. Murphy formally announced today that he will seek re-election as Dem.-representative to the General Assembly from the 31st District."

"This weekend, January 19 and 20 the Fine Arts Department of Antioch High is presenting 'Musical Showboat'. The proceeds from this production help to finance the summer music camp for the band and choir students."

Shubert Theater in Chicago to see the play "1776". In Pat's own words "It's just delightful" and she highly recommends it to everyone. While Mom and Dad, brother and sister were at the Shubert younger sister JILL attended the performance of the Snow Queen at the Goodman Theater in the Art Institute with her Grandmother Merrifield. Jill thoroughly enjoyed her afternoon, especially having grandmother all to herself all day. Big brother MIKE missed all the activities on Saturday as he is a member of the freshman wrestling team and had his day filled with wrestling meets.

sale very cheap as the people get more and more disgusted, waiting for that first big snow fall. At least now the lakes are frozen enough to go riding on. Keep thinking snow everyone!

Louise

WENDY P. JENSEN NAMED TO PRESIDENT'S LIST

Wendy P. Jensen, daughter of Mr. and Mrs. Robert Jensen of 477 First Street, Antioch, has been named to the President's List at North Central College in recognition of her scholastic achievement during the first term of the 1971-72 academic year.

A 1970 graduate of Antioch Community high school, Miss Jensen was one of 85 students named to the list by Dr. Arlo L. Schilling, president of the college.

To be eligible for the President's List, a student must be enrolled for at least 2.5 course units during the term and earn a grade point average of at least 3.700 for that term or a cumulative average of 3.500. Grade points are awarded for completed course work on the basis of four for an "A", three for a "B", two for a "C", and one for a "D".

BOB and JUDY GOSSMAN and DAN and LINDA RUNYARD journeyed to the northland to brave the cold in favor of their favorite sport - snowmobiling.

Dinner

Six adult leaders will be honored at the annual recognition dinner of the Northwest District, Boys Scouts of America, scheduled for Wednesday, January 26th at the United Methodist Church in Antioch.

Trailblazer Awards, highest adult award at the district level, will be given to five persons, according to Dr. William Bartholomew, district president.

The third annual Den Mother Award also will be

Chamber Dance Huge Success

On Saturday evening, January 15, the Antioch Chamber of Commerce held their Annual Installation Dinner - Dance. The cold evening quickly warmed up as friends gathered for the festive occasion.

Following a delicious meal, Master of Ceremonies, Jack Fields introduced the outgoing president, Mr. Grant Spong. Grant gave his farewell speech and introduced the new directors and officers.

The new President, Mr. Hilliard Tobieski, was handed the gavel for the coming year.

The audience was entertained by George Johnstone and dancing to the Gerry Mumford Orchestra followed.

The ladies were donned in elegance, with a good portion of them wearing the lovely long dresses, with the ladies "looking like ladies". Joan Larson, with her lovely blond hair was all in black. Mrs. Tobieski looked radiant in white. Collette Dayton wore a lovely regal black gown with white fur trim, and Diane Walsh in blue velvet made a lovely picture to name a very few. Chamber Secretary, Barb Owen, tho busy as usual, surely didn't look like a secretary in her lovely blue gown.

All in all the whole evening was a big success.

District Inspector Visits V.F.W. Auxiliary

On Monday evening the Sequoit Auxiliary V.F.W. held their regular meeting. Membership chairman, Lillian Burnette reported that only two more membership dues were needed to make 100%. She also asked all members to help recruit new members.

Cook Book chairman, Shirley White, reported the Pillsbury fund raising project was a big success. Any money from books sold after this will be all profit to us.

Mrs. June Savage, 5th district inspector made her visit and inspection. She gave many compliments on the work that is done by such a small auxiliary.

Refreshments were served by Shirley White. The next meeting will be on February 14th.

Sunday Is Mothers March

On Sunday, January 2nd, the Ladies from the Antioch Woman's Club will be collecting from door to door for the March of Dimes. Chairman of the drive for the Antioch area is Mrs. Gloria Holbert.

Every lady will have between 10 and 15 homes to collect from on her tour. The

St. Ignatius Ladies Re-Elect Officers

The women of the church of St. Ignatius held their monthly meeting in the home of Mrs. Carolyn VanPatten, Rinear Rd., Antioch on Wednesday, January 12th.

Re-elected officers for 1972 were: President, Mrs. Lillian Ames; Treasurer, Mrs. Carolyn Van Patten; Recording Secretary, Mrs. Mary Ring; Corresponding Secretary, Mrs. Gwendoline Lulofs and Mrs. Vera Mair was elected Vice President replacing Mrs. Virginia Magiera.

July 14th and 15th were the dates decided upon for the Rummage and Bake Sale and Wednesday, October 11th for the Annual Turkey Dinner.

The next monthly meeting will be held at the home of Mrs. Antionette Fields, 632 Parkway Avenue, Antioch on Wednesday, February 9th at 8:00 p.m.

Father Bessette announced that the Annual Every Member Meeting will be held on Sunday

area has been divided into six districts. District Captains are: Mrs. Gus Costoff, Mrs. Gerald Rockow, Mrs. Mike Ano, Mrs. Ted Costoff, Mrs. Richard Ratke and Mrs. Edmond Vos.

There is a special deposit account at the First National Bank for all those who wish to mail in their money.

January 23rd at 2:00 p.m. in the Parish Hall, 983 Main Street, Antioch, and hopes that as many members as possible will attend.

After the business meeting was adjourned, refreshments were served by the officers.

GARDEN CLUB

PROGRAM ON

TERRARIUMS

The Antioch Garden Club will meet on Monday, January 24 at the Antioch Savings and Loan recreation room at 12:30 p.m.

A program on Terrariums is to be presented by Mr. George Michaels of Mundelein.

Hostesses of the day are Mrs. Donald Purdy and Mrs. Frank Kranc.

MEETING TIME

CHANGED

AT GRASS LAKE

Public notice is hereby given that the Grass Lake School, District 36, will begin the regular board meetings at 7:00 p.m. on the second Tuesday of every month.

New Deductions

Just hot off the "wire" service. Mary Lou and Sid Parker finally had that baby they have been waiting for since Christmas. Their brand new baby boy was born last evening, January 17th and now rounds out their family with two boys and two girls. Congratulations.

Mr. and Mrs. William Seeman are the proud parents of a bouncing baby boy born on January 11, 1972. Christopher James tipped the scales at 9lbs. 12oz. and was 21" long. Bill, Jr. and Stephanie were very happy to have their mom and little guy home.

Maternal grandparents are Mr. and Mrs. Alfred Bachler. Paternal grandparents are Mr. and Mrs. Carl H. Seeman.

A little pink blessed event came to Mr. and Mrs. Charles Payne of Antioch on January 11, 1972. Andrea Lynn tipped the scales at 7lbs. 1/2oz. and was 19" long. Debbie 15, Carleen 14, Susan 13, Janis 11 and Charles 7 were all on hand to welcome the new little miss.

Maternal grandmother is Mrs. Ardis Wolf of Round Lake, Illinois and paternal grandparents are Mr. and Mrs. Roland Payne of Wonder Lake.

WOLFF - TAYLOR WEDDING TOLD

On December 24th, in St. Annes Chapel in Palo Alto, California Jane Wolff daughter of Mr. and Mrs Herman Wolff of Lake Villa became the bride of Mr. James Clifton Taylor, Jr., son of Mr. and Mrs. Clifton Taylor of Palo Alto, California. The 1:00 p.m. ceremony was performed by Father John Duryea.

The maid of honor was the groom's sister, Meridee Taylor, who came home from Spain for the wedding. Miss Robyn Cheryl Hacker, the bride's niece was the flower girl.

The best man was Bob Sakai of Hayward, California and Michael Wolff and Michael Fante were ushers.

The bride wore a long traditional, empire line white dress of peau d' soie, trimmed with Venise lace with a full chapel train attached. Her headpiece was a matching camelot cap with an elbow length veil.

A reception was held immediately following the ceremony at the Palo Alto

Library. Many out of town guests attended the wedding.

The bride and groom met while they were in Peace Corps training in Berkeley and then spent two years in Peru as Peace Corps Volunteers.

Jane graduated from Carroll College in Waukesha, Wisconsin and is now employed as an editorial assistant at Bancroft-Whitney Law Publishing Co. in San Francisco. Mr. Taylor is a graduate of the University of California, Berkeley and now is a 2nd year student at Hastings College of Law in San Francisco.

After a honeymoon in Yosemite National Park, the couple is at home in San Francisco, California.

National Association Appoints Local Woman Treasurer

ELAINE PALM

Elaine E. Palm, Cashier, of the First National Bank of Antioch, has accepted the appointment of Treasurer for

the 1972 National Convention of the National Association of Bank-Women, Inc. The appointment was made at the NABW December board meeting held in Chicago.

The convention marks a very important date for the National Association of Bank-Women . . . their 50th Anniversary and their 50th annual Convention, to be held at the Palmer House in Chicago, September 17 through 21, 1972. Women from all over the U. S. will be in attendance.

A very gala and educational program is being planned. The program will consist of Tours of Chicago, Workshops, a style show, outstanding speakers, exhibits, awards, Chicago Bank Tours and the National Association of Bank-Women's 50th Birthday dinner.

Lake County Township Officials Meeting

The January meeting of the Lake County Township Officials Association will be held on Thursday, January 20, 1972 at the Holiday Inn, Gurnee (Grand Avenue just west of the Tollway) at 8:00 p.m.

After the usual order of business, President Betty Reed will lead a discussion on the aspects of Home Rule and the functions of the Chief Executive Officer of a Home Rule county. This subject is of great importance to each of us since Lake County will vote on this proposal at the March 21st Primary Election.

Remember, our Association was formed "in order better to serve the people of Lake County, by means of a friendly interchange of ideas, and thereby increase our efficiency as public officials". President Reed's endeavor is to give you this interchange of ideas.

The discussion on Home Rule will be followed by a social hour to which all candidates for the position of County Board Member have been invited. Because of the number of candidates the

social hour seems to afford the best opportunity to meet the candidates.

Mark your calendar for Thursday, January 20th - Holiday Inn, Gurnee at 8:00 p.m. You can not afford to miss this informative meeting and the social hour.

4-HER'S MAKE NEW YEARS PLANS

At their first meeting of the new year, the Antioch Chiefs and Squaws planned a Splash Party to be held on February 5th at the Marina Motel in Fox Lake.

After two hours of swimming they will then return to Antioch for pizza at Weasel's Italian Village.

Another topic at the meeting was Share-the-Fun which will be held in April.

The club decided on a play which will be entitled "Our World is Haunted." It will show some of the various types of pollution that haunt our world.

Blueprint for Happiness in Marriage

Although it may seem so, this is not a fairy tale! How would you like to have a blueprint to happiness in marriage - to know how to cause a man to cherish you and offer you his true devotion? It's available under the title *Fascinating Womanhood*, a course of study which maps the way to supreme happiness in marriage.

The course gives a woman the secret of becoming a fascinating woman. She can learn how to understand men,

their needs, characteristics, sensitivity and masculinity. She learns how to react to her husband's different moods and feelings in order to build up his confidence and respect in himself. It tells how men look at women and how women can understand men. It tells much more in giving the "key to a happy marriage."

The teachings bring to light the fact that a man's needs are often overlooked by women. Whereas a woman basically

craves love and affection, a man on the other hand basically needs admiration from his wife.

Leading educators, jurists, marriage counselors, clergymen and sociologists endorse the concepts of *Fascinating Womanhood*. The course is offered by Mrs. Michael Warren at 642 N. Avenue, Antioch, beginning this Wednesday at 8:00 p.m. For more information call 395-1765.

CYNTHIA J. SCHLEUSENER

ENROLLED IN SPECIAL COURSE

Cynthia Joan Schleusener, daughter of Mr. and Mrs. Roland E. Schleusener of 1015 Victoria St., Antioch, is one of nine nursing students at Illinois Wesleyan University enrolled in a special month-long course on the nurse's role in relation to the patient, his family and the community.

The course, offered only during Wesleyan's January Short Term, provides opportunities for each student to collaborate with community health teams in the patient's home, in doctors' offices and

in hospitals as well as on the campus.

Clinical experience in Bloomington and Springfield hospitals will be augmented by work in Cook County Hospital, Loyola University Hospital and the Rehabilitation Institute, all of Chicago, to acquaint the student nurses with facilities, research and resources available in a large metropolitan community.

Miss Schleusener is a junior nursing major at IWU. She is a 1969 graduate of Antioch Community High School.

WHY ALL THE SHOTS?

"Doc, why all the shots?" That's a question every veterinarian hears several times each week.

The answer can be illustrated by the story of the woman whose puppies had been vaccinated when they were ten weeks of age. Just 18 months later, two had died from distemper and the third was hospitalized.

She had forgotten that her pets needed "booster shots" to keep their immunity at a high level to resist infection.

Animals are vaccinated to prevent some of the most serious and common diseases.

Dogs may now be vaccinated against four deadly diseases - distemper, hepatitis, leptospirosis (a disease of the liver and kidney) and rabies. In cats, vaccinations include feline distemper, pneumonitis and rabies.

When you first bring a dog or cat into your home, arrangements should be made with your veterinarian for an initial examination to get your pet off to a good start. At that time, the first inoculation may be given, or scheduled.

The proper age for vaccinations varies with the individual animal and the type of serum or vaccine used. The final decision should be left to your veterinarian.

If you are given a dog or cat, or buy one that "has had his shots", it is important to determine which shots were given, and when. A newly purchased animal will seldom have been given more than temporary protection -- usually

10-14 days against distemper, hepatitis and leptospirosis. It is important to remember that every animal is different and no two dogs or cats develop the same degree of active immunity following vaccination.

No one can be sure that a vaccine, whether for animal or human use, will be 100 percent effective. However, vaccines are effective in most cases. Likewise, a vaccine will seldom confer lifelong immunity.

That's why "booster shots" are recommended at prescribed intervals. The intervals for these shots are best determined by your veterinarian.

After your pet has been vaccinated, you will be furnished with a certificate of vaccination. It is important. Don't lose it.

When planning to travel out of state, check with your veterinarian regarding the necessity of a health certificate for your pet. This may prevent delays on the trip.

Regularly scheduled examinations are as important as vaccinations to the good health and well being of your pet. Frequently, both can be scheduled for the same visit.

These examinations can nip in the bud diseases or other problems and are the most economical way to assure the health of your dog or cat.

The result will be greater freedom from diseases and other disorders and a longer, happier and more useful life for your pet.

Women of the Moose

On Thursday, January 6th, the Child Care Committee Chairman June Ballenger introduced Mrs. Shirley Lillstrom, Director of the Peppermint Stick Schools, as the speaker for the evening.

Mrs. Lillstrom provided a very informative talk about the aims, function and history of the school.

The chapter also enrolled candidate Marlene Miller sponsored by June Ballenger.

The next meeting will be a business meeting on January 20th at 8:00 p.m.

American Legion Auxiliary News

"The Right Way to Start This New Year, Is by Swinging Our Membership Into High Gear" states Mrs. Everett Ainsworth, Lake Forest, district membership chairman of the 10th District American Legion Auxiliary. "Nearly 82% of our anticipated 2200 membership has already been paid. Five Units, Antioch with Mrs. Lester Zitzus as chairman; Baxter Evans of Waukegan; Highwood, Lake Forest and Lake Zurich, have attained their 100% membership goal, with several other units close to this goal" continues Mrs. Ainsworth.

Membership is always stressed in the American Legion Auxiliary, since it is only through their large membership, that they are enabled to carry their many fine programs to completion.

In order to be eligible for membership in the Auxiliary,

the applicant must be either the wife, mother, sister, daughter or grand-daughter of a veteran who died in service during World War I, World War II, the Korean Conflict or Vietnam War, called a gold star member; the widow, mother, sister, daughter or grand-daughter of a veteran who served during any of the named wars and is since deceased. This veteran need not have been a Legionnaire. The last eligibility is for an ex-servicewoman who served in any of the four wars.

Eligibility dates as set by Congress are World War I - April 8, 1917 to November 11, 1918; World War II - December 7, 1941 to September 1, 1945;

Korean Conflict - June 25, 1950 to July 27, 1953; and the Vietnam War eligibility date set by the American Legion is from August 5, 1964 to the

present time.

"There is a wealth of happiness and satisfaction to be gained in volunteer work done for the disabled and hospitalized veterans; a veteran's indigent widow and his dependents; in fostering Americanism and patriotism; performing useful and needed child welfare and community service projects". Mrs. Ainsworth said.

"By joining the American Legion Auxiliary, the largest service organization in the world with close to a million members, you enrich your own life by bringing happiness to others less fortunate than yourself."

Eligible women are cordially invited to join this organization, and should contact the local membership chairman, Mrs. Lester Zitzus is the Antioch Unit's chairman.

The board meeting of the 10th District Auxiliary will be held at the Highwood American Legion Home, at 8:00 p.m. on Monday, January 31st. Mrs. Joseph Hogue, Waukegan, District President, will conduct the meeting.

Representing Antioch will be Mrs. Edward Jahneke, district communications chairman; and Mrs. Ray Rathmann, district junior activities chairman.

BERNING ON PLANNING

COMMISSION SLATE

Sen. Karl Berning, R-Deerfield, was elected secretary of the Legislative Advisory Committee to the Northeastern Illinois Planning Commission at its recent organizational meeting.

Rep. Eugene F. Schlickman, R-Arlington Heights, was named chairman and Sen. Thomas C. Hynes, D-Chicago, was chosen co-chairman.

The joint House-Senate committee is directed to counsel NIPC (Northeastern Illinois Planning Commission) which is the regional coordinating agency serving Cook, DuPage, Lake, McHenry, Kane and Will counties in Illinois and two Indiana counties.

NIPC was created by the general assembly to devise a master development plan for the eight-county area. It now seeks to relate the problems of county and municipal government to the total plans of the region.

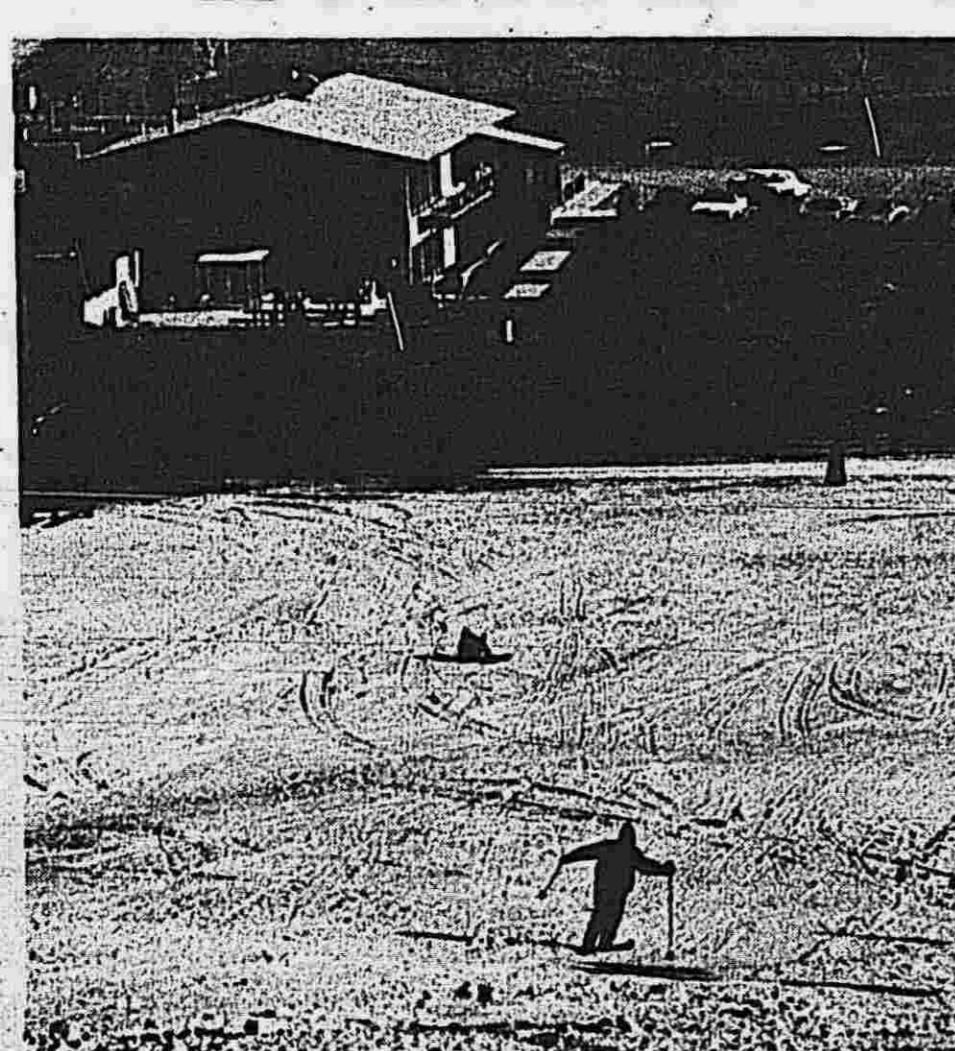

ANTIOCH MOOSE 525

The Loyal Order of Moose 525 of Antioch is sponsoring a breakfast and enrollment on Sunday, January 23rd. The Order will honor Brother Henry Grewe.

On Saturday, January 29, 1972 at 8:00 p.m. the Order will present their Annual Men's Style Show featuring "The New Society." Fun! Fun! for Everyone...

All Moose members and friends are invited to attend.

MIEURE OUT

Cont. From Page 18

is still enough "heart" on the ball club to make it interesting. Pity the team that figures the Sequoits an easy touch. There may be quite a few surprises in Coach Andrew's play book.

The Sequoits slipped to a 6-1 conference record, but still have the edge over Lake Forest.

Antioch entertains Grant on Friday, January 21st. The sophs will begin the evenings action at 6:45. Never underestimate the power of the home court advantage. Come to the game with your lungs ready.

SEQUOT SMOKE Signals

If you've noticed people stumbling around in the halls, even when their NOT freshmen, with blood shot eyes and a dazed look on their faces, don't be alarmed. These are the typical signs of semesters week!

\$10...10...I hear ten... do I hear eleven...going once, going twice, sold to money bags MIKE HARVEY! The scene of this action was the high school auditorium where the cheerleaders held a Slave Auction to raise money for their uniforms. RICK JOHNSON was the auctioneer at the event. ROBIN ELLIS brought in the most money, \$10, for the cheerleaders who managed to raise \$50.00 at the event. About twenty slaves were sold and their service was to be performed on Saturday night for two hours. The slaves could be made to do anything the buyer said, within reason. Some of the kids were disappointed that none of the teachers were sold, though, because they were sure looking forward to having them write their MOBY DICK paper for instance.

Antioch's having a post prom this year! It's been voted on by the boys in the junior and senior classes and enough showed an interest to make it possible. Congratulations Juniors, your hard work paid off.

Speaking of congratulations all the WRESTLERS at Antioch sure deserve it. They captured first place this weekend by beating Grayslake by one point! Talk about excited, after the meet was over a few of the guys hoisted each other up to try and change around a sign in their gym that had Grayslake in first. Plenty of fans were there to see the big event too, no amount of cold could keep them away!

We all hope GARY STOUT is alright though, his head got a pretty good crack during his match.

The basketball SEQUOITS I'm sorry to say suffered their first conference loss this weekend. After beating Grayslake Friday night, they lost to Wauconda Saturday. We still are in first place though. Get well soon, TIM MIEURE, the team misses you. He missed both games this weekend because he has come down with mononucleosis.

See ya next week, if I make it through exams!

Barb.

Legislators To Meet With Underwriters

after their talks.

Lake County Life Underwriters' President, Martin K. Simonian, stated "This meeting is most important to each and every insurance agent within the County of Lake, as well as the state of Illinois, for it affects each and everyone of us business-wise, today and in the future. Those legislators have many important issues facing them concerning our business, and we should be there to inform them what we, the Professional Life Underwriters, think is best not only for ourselves, but more important for our industry and our clients. Thus, I urge each and every life underwriter to attend this meeting to brief

himself on the current bills facing our legislators that will affect him and his clients and to inform the legislators personally what he considers most important himself. Let me take this opportunity to cordially invite each and every life underwriter, whether they're a member of our organization or not, to be present Friday afternoon, January 21st.

JOHN CONARCHY

Service Award Winner

John F. Conarchy, 23 North Elmwood Avenue, Waukegan, will receive a Community Service Award from his employer, The Prudential Insurance Company, in recognition of his achievements in voluntary community service.

Mr. Conarchy is a special agent in Prudential's North Shore Agency located in Skokie, Illinois, Manager Al Gilemi.

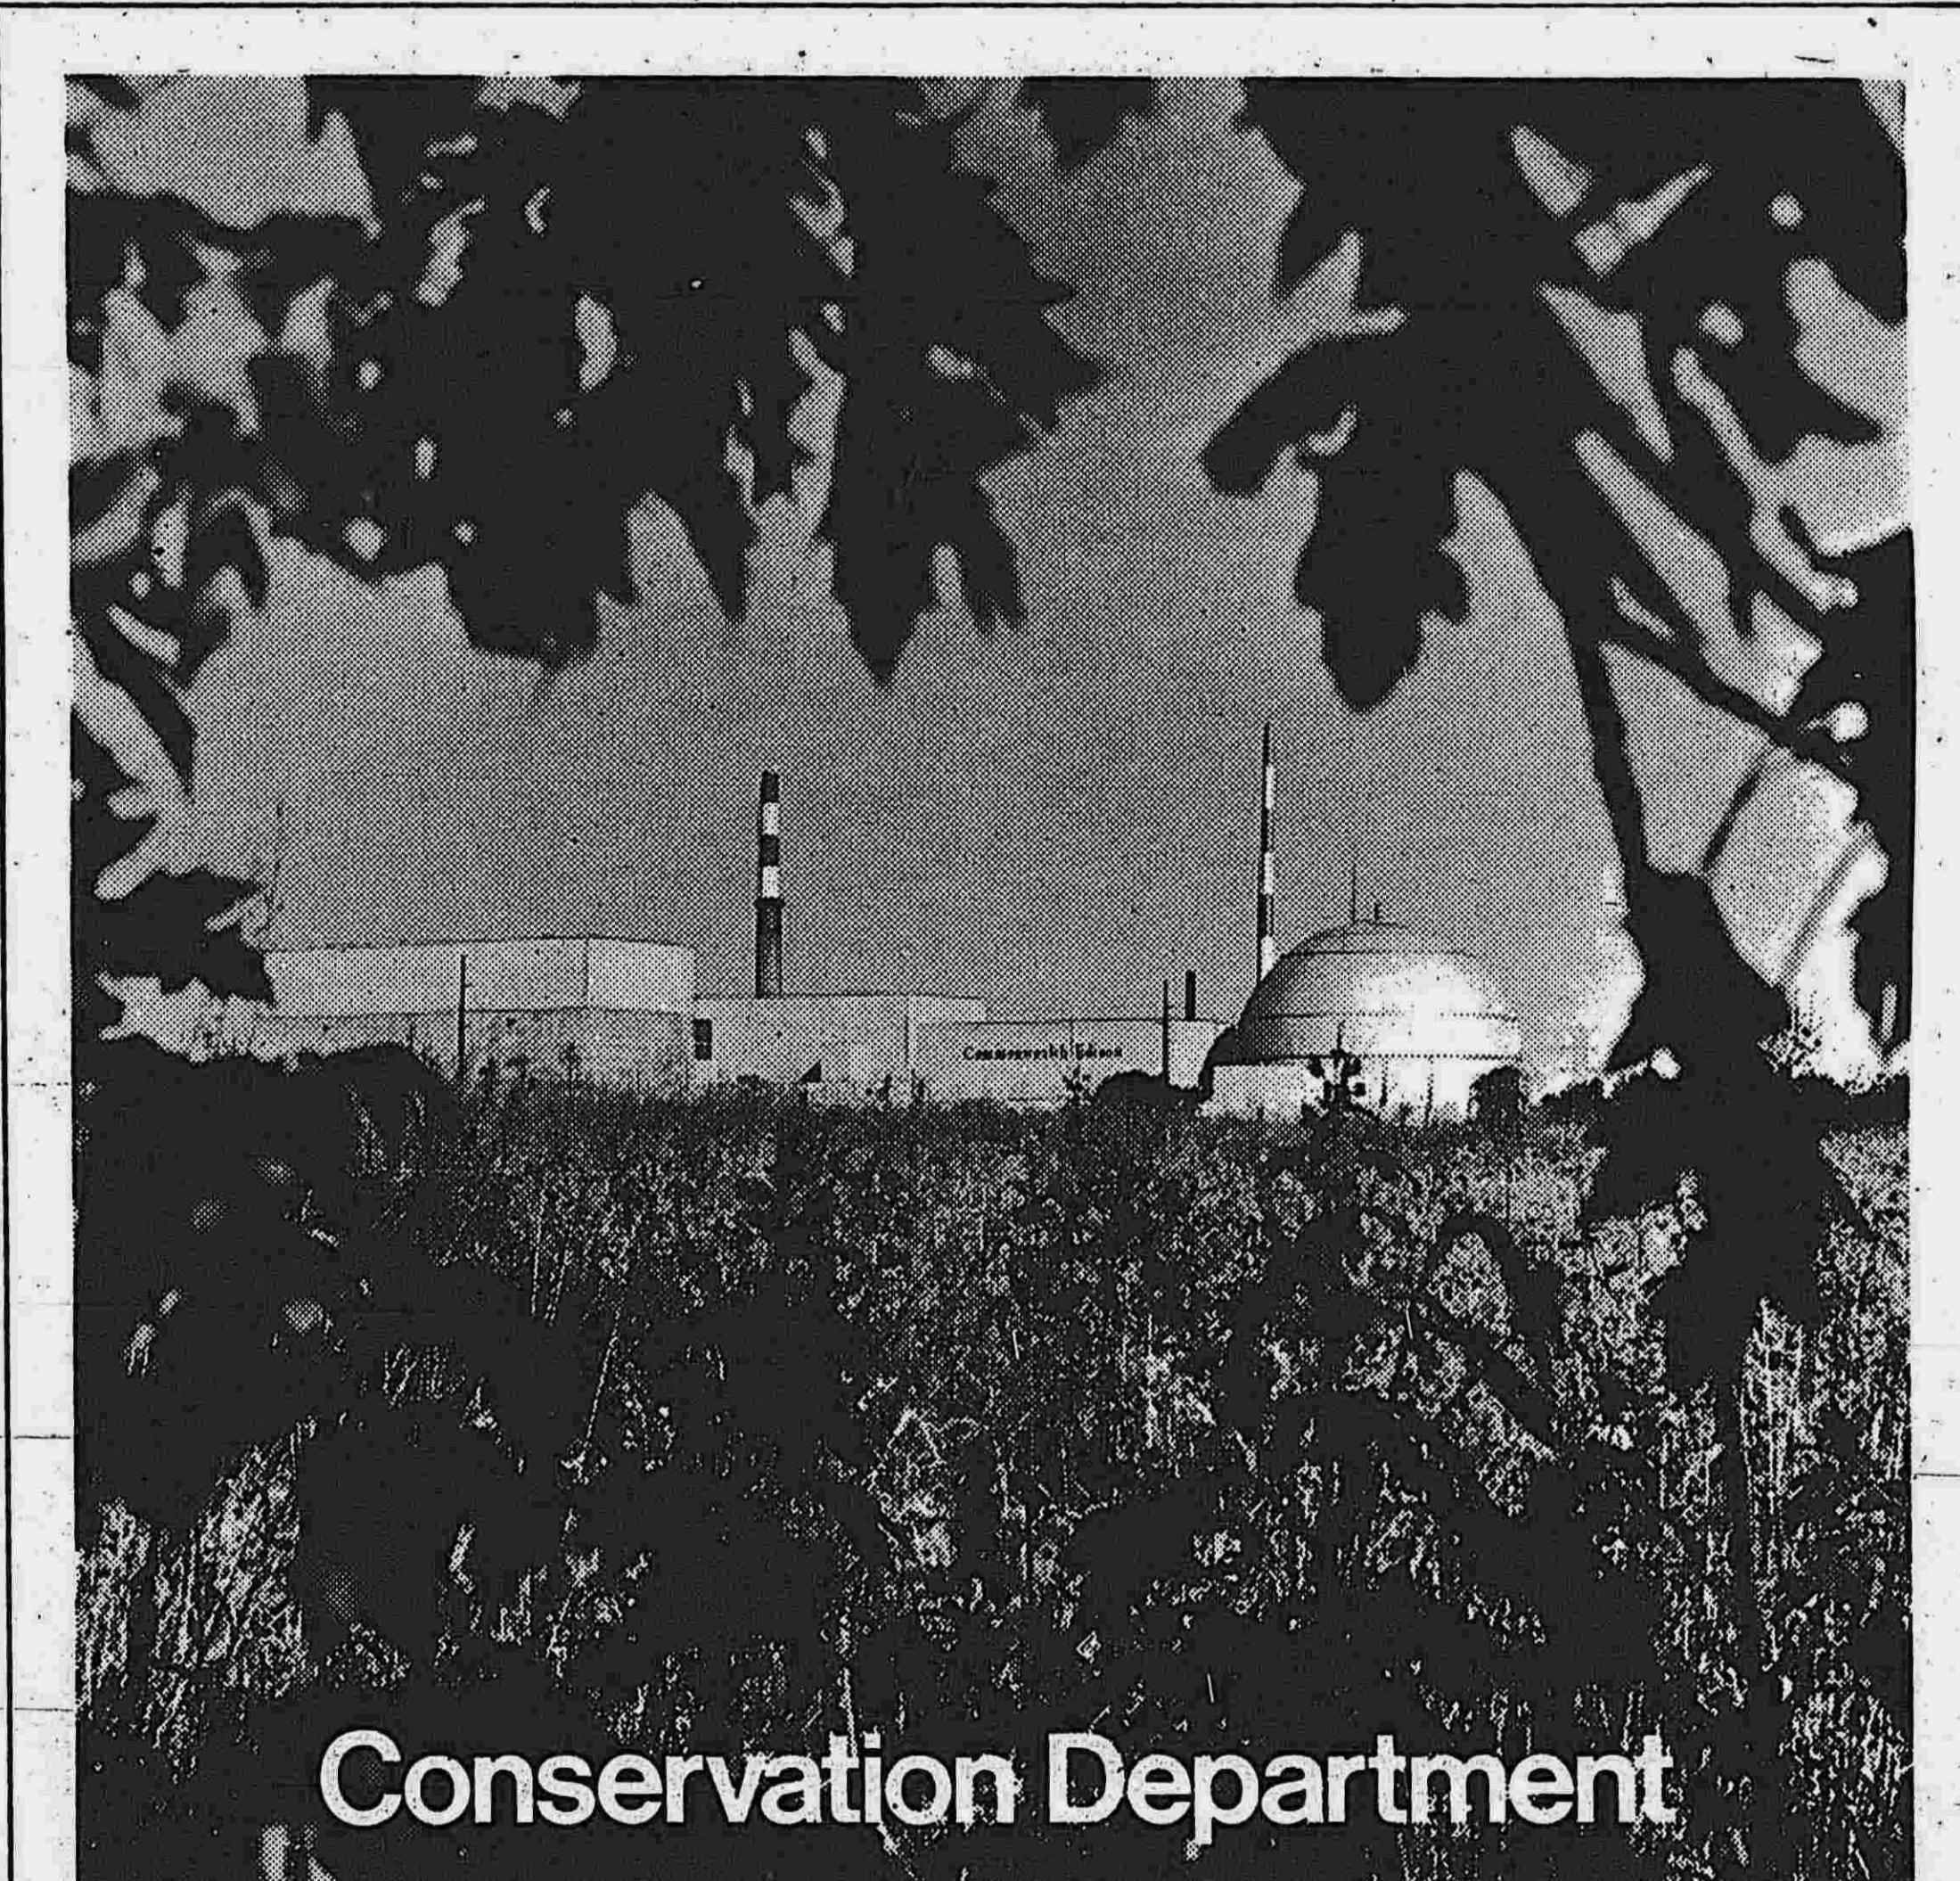

According to William

Ingram, Senior Vice President in charge of the company's Mid-America operations and resident of Lake Forest, Illinois, only 23 of the more than 5,200 Prudential representatives and employees in Illinois and Indiana have been named winners of the Community Service Award for 1971.

Among the activities for which Mr. Conarchy was honored are: Headed Medic Alert Month in March 1971 in Lake County Illinois; Member of the Parish Council of Immaculate Conception Church, Waukegan; Has been working with the Knights of Columbus, Waukegan Council No. 731 on a number of projects; Worked with the United Fund of North Lake County; and is a member of the board of directors of the Lake County Life Underwriters.

Mr. Conarchy has represented Prudential since March of 1961. He is a 1956 graduate of Christian Brothers College, Memphis, Tennessee, where he majored in Business.

Mr. Conarchy and his wife, Jane, are the parents of five children, Jane who is ten, John Jr. who is eight, Edmund who is four, Sheila who is 17 months, and Eirn who is 3 months.

Conservation Department

Did you know we've consumed more energy in the last 30 years than in all previous human history?

Did you also know that if we continue at the present rate, we'll exhaust some of our natural fuels in your lifetime and most of them during your grandchildren's?

The history of man has been the harnessing of natural forces for new sources of power. Water, wind, atoms, even the sun.

The long-term survival of man depends on an inexhaustible energy source.

Conventional power plants use non-renewable fossil fuels—coal, oil, gas—for power. These same fuels are also used for transportation, manufacturing, heating. The faster we grow, the faster we deplete our supply.

Commonwealth Edison has known this for a long time. That's why we got into nuclear power early. Dresden, the world's first privately financed nuclear power plant, has been generating power for over 11 years. Two additional units are

now in operation at Dresden. Four more nuclear-powered generating units will be in service soon—two at Quad Cities and two at Zion. And more are planned.

We know the world's future energy will have to be nuclear. And we're building for that future, today.

WALTERS APPOINTED TO NEW DISTRICT

PHYLLIS K. WALTERS

Phyllis K. Walters of Algonquin was appointed to the position of Republican State Central Committee-woman to the new 13th Congressional District during a special meeting held last month in Chicago.

This appointment was made

by Robert Coulson, State Central Committeeman from the New 13th Congressional Dist.

Previously, Mrs. Walters was State Central Committeewoman for just McHenry County. Now the new 13th District takes in portions of Lake, McHenry and Kane Counties.

Mrs. Walters is also an elected Republican Precinct Committeewoman for Algonquin 18 and a past president of the Algonquin Township Republican Women's Club and she is looking forward to working with the Republican Women's organizations throughout the 13th District.

Mrs. Walters at present, is Candidate for the fourthcoming District I McHenry County Board Elections February 8th. She resides at 1463 Lowe Drive in Algonquin with her husband Duane and three children, Ansley, Andrea and Tony.

Obituaries

MRS. MINNIE C. SHEEN 87 years old of Hwy C, Salem, Wisc. passed away Tuesday, January 11, 1972 at the Shady Lawn West Nursing Home Kenosha after a long illness. She was born Feb. 12, 1884 at Harvard, Illinois and has resided at Salem since 1906. She was a member of the Schultz-Hahn American Legion Auxiliary Post No. 293 of Silver Lake, Wisc. She married Clarence J. Sheen on April 4, 1906 at Kenosha, Wisc. and he preceded her in death March 14, 1953. She was also preceded in death by 5 brothers and 2 sisters.

Survivors are 2 sons: Lester Sheen (Trevor Wisc.) Harold Sheen (Salem, Wisc.) 2 daughters: Mrs. Simon (Marjorie) Schaefer (Kenosha) Mrs. Donald (Arlene) Bedore (Kenosha) 8 grandchildren and 14 great grandchildren.

Funeral services were held on January 13 at 1:30 p.m. at the Strang Funeral Home, Antioch. The Rev. Stanley Beck of the North Prairie United Methodist Church officiated. Interment was in Liberty cemetery north of Antioch.

MR. ELMER C. KOSICK - of Voltz Lake near Antioch, Ill. passed away Tues. January 11th at the McHenry hospital. He was born in Chicago and resided there until moving to Voltz Lake in 1944. He had been a partner in the Kosick & Chin House Movers. He married Dorothy Potter on July 21, 1933 in Chicago. He was preceeded in death by 2 brothers Arthur & Wilbur Kosick - 1 sister Mrs. Helen Johnston.

Survivors are his wife Dorothy-1 brother Clarence Kosick (Trevor, Wis.)-4 sisters Mrs. Lillian Gast (Cross Lake, Wis.)-Mrs. Esther Krisher (Chicago)-Mrs. Bernice Hartwell (VanNuys, California) and Mrs. Mabel Sommers (Chicago).

Funeral services were held at 11:00 a.m. Friday at the Strang Funeral Home in Antioch. Interment was in Liberty Cemetery near Trevor, Wis.

EDWARD BRINGMANN-61 years old of Camp Lake, Wisconsin was found on January 11, 1972 with a gun beside him in the Cozy Cottage Resort at Volo, Illinois. He had apparently committed suicide and was not found immediately. He was born June 11, 1919 in Massachusetts. He had worked for several years as a maintenance man at the Salvation Army Camp at Camp Lake, Wis. and had left there at Christmas time and his whereabouts were not known by the employees of the camp until after he was found on the 11th. He has no known relatives. Graveside funeral services were held at 3:30 p.m. on Thurs. January 13th at Home Oak Cemetery. The Rev. John Remmenga of the Salvation Army officiated.

Christian Science Churches

There is a link between man's expression of integrity and the divine help he experiences, according to the Bible Lesson-Sermon on "Truth" to be presented at Christian Science services Sunday.

One of the passages to be read from the Bible states: "For the fruit of the Spirit is in all goodness and righteousness and truth."

Commentary from Science and Health with Key to the Scriptures by Mary Baker Eddy includes this citation: "Honesty is spiritual power. Dishonesty is human weakness, which forfeits divine help."

Everyone is welcome at First Church of Christ, Scientist, BEACON HILL - Rte 173 & Harden, Antioch, Illinois. Services begin at 11 a.m.

"SEX AND MORALITY SOME FRANK ANSWERS"

Funeral services were held on Monday at 11:00 a.m. at St. Stephens Lutheran Church in Antioch. Reverend Phillip O. Laurin officiated.

LAKE GENEVA WINTER CARNIVAL

PLANNED FOR

Lake Geneva will be the site for a gigantic winter carnival on Sunday, February 20th, on Geneva Lake at Lake Geneva, Wisconsin.

The event will be sponsored by the Lake Geneva Lions Club and events planned include an ice fishing derby, ice skating races for all ages, cross-country skiing races, a snowmobile derby, motorcycle races ON THE ICE, sleigh rides and carnival games. Events will begin at 10:00 A.M. and continue throughout the day.

A concessions tent will feature hot dogs, bratwurst, hot chocolate and coffee. Playboy Bunnies will be on hand to add to the colorful festivities.

An array of prizes will be awarded at the Winter Carnival, with the grand prize being an all-expense paid 7-day trip for two to Hawaii. Other prizes include a color television set, snowmobile suits, AM/FM radios, tape deck players, an electric watch and a case of "booze." Trophies will be awarded to winners of the various sports events.

Concessioneers and groups interested in putting up displays are urged to contact the Lions Club Winter Carnival Committee, % Geneva Lake Area Chamber of Commerce, Lake Geneva, Wisconsin 53147.

Thirty-five Democratic State Legislators, State Central Committeemen, County Chairmen, and elected county officials from Northern Illinois held an organizational meeting at Henrici's Motor Inn at Rockford, at which they formed the Northern Illinois Democratic Organizing Committee (NIDOC). The group selected Sixteenth Congressional District State Central Committeeman, Francis X. Mahoney, who is also the Democratic County Chairman of Stephenson County as its chairman.

The newly formed group endorsed and unanimously agreed to support the following Democrats in the Primary to be held on March 21: Roman Pucinski for U.S. Senate; Paul Simon for Governor; Neil F. Hartigan for Lt. Governor; Michael J. Howlett for Secretary of State; Thomas G. Lyons for Attorney General; and Dean Barringer for Comptroller.

The Committee agreed to hold a breakfast meeting on January 29 at Springfield, the morning after the Annual Franklin D. Roosevelt Dinner to be held at the St. Nicholas Hotel in Springfield.

Mahoney stated that the purpose of NIDOC was to help organize, strengthen and develop the Democratic Party in Northern Illinois and consequently improve the posture of Northern Illinois geographically within the Democratic power structure. He further stated that Northern Illinois was defined roughly to include the area north of Highway 80 except Cook County, but it would be more accurate to say it included everything north of lesser known Highway 17, which is about 20 miles south of Highway 80 (except Cook County).

Because of the large area involved, the committee decided to limit its membership for the present to Democratic State Legislators, County Chairmen, State Central Committeemen, and Democratic officeholders elected on a county-wide basis. It was further decided to use the committee structure and not form any formal organization since the group desires to maintain contact with all Democrats in the area and may want to expand its membership accordingly in the future.

Mahoney said that there was no unfavorable reaction to the formation of the group and

DEMOCRATS FORM NIDOC COMMITTEE

that those present were unanimous in the desirability and need for such a group. He further indicated that several who were not able to make the meeting because of other commitments, indicated their desire to participate in the future. He also stated that about 80% of the Democrats in the area who were invited, responded favorably and that there were no negative responses or reactions of any nature. Representatives in attendance ranged from Lake County on Lake Michigan at the Northeast corner of the state to Rock Island on the Mississippi River in the Southwest corner of the area.

CANDIDATES MEETING SPONSORED BY LEAGUE OF WOMEN VOTERS

The Libertyville-Mundelein League of Women Voters will sponsor a "candidates meeting" for the citizens of Lake County in District 4.

All Republican candidates in the coming primary election for Lake County board of supervisors have been invited to participate in the meeting. (There will be no contest in the Democratic party in this district.)

The candidates meeting for District 4 will be held on Tuesday, January 25, 8:00 p.m., at the Kirk of the Lakes Presbyterian Church, 1500 W. Hawley St., Mundelein. In District 4, voters will choose 5 nominees from a list of 8 including: Robert Dickson, Norman Geary, Harry Robin, Ronald Coles, George Bell, Lloyd (Red) Murie, Robert Matthews, Edward Kidera.

The format for this meeting will include a brief, time-limited address from each candidate. Each man may then be questioned from the audience.

Candidates meetings are part of the voter service activities of the League of Women Voters. In communities throughout the nation, the League provides these forums for the information of all citizens on the issue and candidates presented to them. The League urges all voters to take this opportunity to become informed on the issues and candidates in Lake County.

Have We Learned?

"Once upon a time there was a teacher who didn't want an increase in pay; a carpenter who didn't ask for union wages; a man who healed the sick and afflicted whether they had insurance or medicare or whether they didn't; who traveled around the country feeding the people; and they crucified him." — Robert N. CLC LAUNCHES OUTREACH CENTER

The public is invited to join College staff and friends in officially launching the services of the College of Lake County's Outreach Center. The open house is scheduled for Sunday, January 23rd at 3:00 - 5:00 p.m. The Outreach Center is located at 148 S. Genesee, Waukegan.

According to Mrs. Nellie Suggs, Director of the Center, the Center "has been established as a means of

outreach to the Waukegan metropolitan community".

"The Center is dedicated to being a means of communication between the college and the immediate urban community and its needs, and providing educational services (counseling, classes, community services, etc.) which are found to be needed in the inner city and for which the college is prepared to serve."

"Inquiries for information or your response to project services of the center are welcome at any time". Mrs. Suggs indicated. "Our telephone at the Outreach Center is 263-8686.

PARENT-TEACHER CONFERENCES

Parent-Teacher Conferences will be held in the Antioch Grade Schools, District No. 34, on the afternoon and evening of January 26 and the afternoon of January 27. Schools will be in session for a half day on these dates to allow for the conferences. It is hoped that conferences with parents of children in the K-5 buildings can be arranged either on January 26 or 27 or after school during the following week. Teachers at

the Upper Grade School cannot possibly arrange conferences with the parents of all the children they instruct during the school day. Therefore, parent-teacher conferences at the Upper Grade level will be held on a selected base. However, any parent who desires a conference with any of the Upper Grade teachers should call the school and a conference time will be arranged.

SALEM GRADE SCHOOL BOARD MEETING

The board accepted the resignation of Mrs. Rosemary McNeill and approved the appointment of Mr. David Wynstra. He graduated from Carthage College in elementary education in May of 1971. He has served with the National Guard from July until November of 1971.

We received a letter from the teacher's organization SCEA

wishing to start negotiations for the 1972-73 school year agreement.

The board also heard a report from Don Richards on the Kenosha County Special Education which includes all schools west of I-94.

The board ruled that we should wait until we hear from the DPI or the Internal Revenue Service before paying retro-active pay.

IMMUNIZATION CLINIC AT SALEM SCHOOL

A immunization clinic for Red Measles (Rubeola) will be conducted on Wednesday, January 26th at Salem Consolidated School between 9:00 and 10:30 a.m. Children in the age group of one year (1) through twelve (12) years should receive the Red Measles Vaccine (Rubeola virus vaccine, live, attenuated).

To jog your memory as to where children may have previously received red measles (Rubeola) vaccine - a red measles clinic was held at St. Joseph's High School on Sunday, December 7, 1967. Also 1650 children have received the vaccine at previous county-wide clinics.

If parents are certain their children have been previously immunized for red measles (rubeola) the immunization need not be repeated. If, however, parents are uncertain whether or not their children

have received the red measles vaccine, or have had the disease, and this cannot be checked - the children should be immunized now.

Dr. H. Grant Skinner, epidemiologist with the Wisconsin State Division of Health, said that this is an epidemic year for red measles (Rubeola). We urge parents to have their children immunized for this disease. Preschool children, one year of age and older, especially, should be brought to the nearest clinic for their immunization.

Immunization forms have been distributed to children in all County schools to be taken home to their parents. The completed forms, with parent's signature giving consent to the immunization are to be brought to the clinic by the child.

If there are any questions, phone the Office of the County Nurse, 652-4957.

Mathematics Is Subject Of Apache Parent-Teacher Meeting

If you've ever wondered why your youngster is in a certain mathematics class . . . or why he is studying facets of math you can't recall having a nodding acquaintance with . . . then you'll be interested in the Apache Parent-Teacher meeting on Monday, January 24, at the Antioch Upper Grade School.

The answer to these and many other questions will be included in a special program presented by the Upper Grade School Mathematics Staff. The program will concentrate upon the teaching of the subject and the curriculum in relation to

the child. Pre-testing and placement procedures, how classes are set up, materials used, individualized instruction, class population and problems in developing new programs will be briefly covered. Specific attention will be paid to assisting the child at home.

The meeting will begin at 7:45 with a short business meeting in the school library. Refreshments will be served

Refreshments will be served following the math presentation. Everyone is cordially invited to attend.

CHAIN O'LAKES MENTAL HEALTH PROGRAM ANNOUNCES EXPANSION

The Antioch Humanistic Society's Committee on Mental Health has recently announced expansion and modification of their counseling program. Although the services have been offered for only six months, the reported caseload has grown from five to over thirty. The Committee reports firm confirmation of the initial hypothesis that there is need for a counseling center in the area.

During the first six months, all counseling services were provided by Dr. Thomas E. Smith, Registered Psychologist, who was employed as the first Director of the Chain O'Lakes Mental Health Program. During that six month period, Dr. Smith provided over twenty hours weekly of counseling services, at a total salary of \$1.00 for the half-year. Due to the growth of the program, and the necessity of meeting other commitments, Dr. Smith resigned January 1, 1972.

The Society has since instructed the Committee on Mental Health to provide full administrative and program

development leadership. The most important task is that of search for funds and staff. The Society has emphasized the importance of community involvement, stating, "with it, the program will survive and develop as needed, without it, there will be no Chain O'Lakes Mental Health Center." The Society has noted that there is a firm foundation for programming, and that the committee must now reach out for support from "concerned others."

During the next few months, the counseling program for children, adolescents, and adults, will be offered by part-time professionals under contract. The Committee reports that professionals will be contracted on an hourly basis, to provide individual and small group counseling. This expanded program will make more time available for interested clients. Information on the Committee on Mental Health, or on the counseling program, can be obtained by calling 395-5701.

PHYSICIAN ASSISTANT PROGRAM

Sergeant Kuczala, local Air Force Recruiting Representative, has told of a possible solution to the critical problem; a shortage of doctors, nurses, and other medical personnel, even in the armed services - with a new, unique airforce program.

The answer is the physician's assistant - a highly trained individual who is expected to take over some of the duties normally performed by a qualified physician. The objective, of course, is more

manpower to do the hundreds of time-consuming chores now performed by the physician, thus leaving the physician more time to devote to more complex medical problems.

The Air Force has already set up the Physician Assistant (PA) course, a complex, technical instruction given at the School of Health Care Sciences, Sheppard AFB, Texas.

The first class began last July, the second last October, and according to plan, 25 students will begin every 3 months. Officials want to reach a level of 100 students in various stages of training,

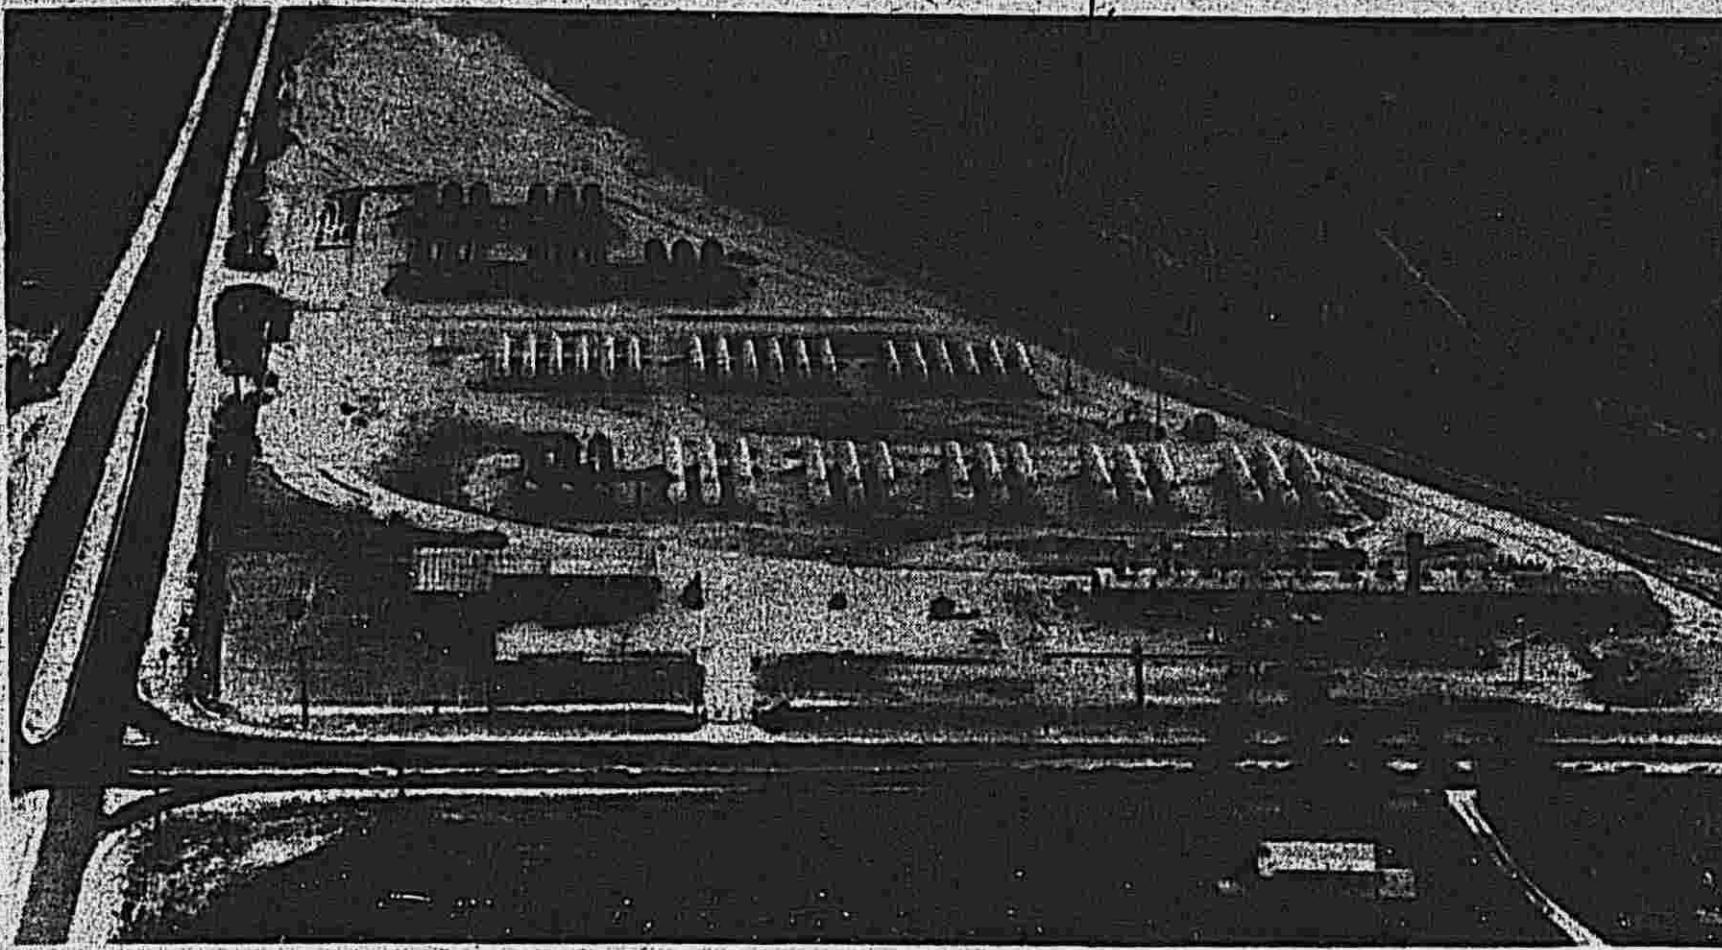

eventually graduating that number every year.

The two-year course is the first of its kind in the military. Students are to spend their first nine months in the classroom, and the next 15 in an Air Force teaching hospital. There, doctors will work with and train the students on a one-to-one basis.

Currently, the American Medical Association is drawing up a set of national standards which must be met by all schools conducting the PA courses, if the PA graduates are to be given full credit for their training. When the standards are established, graduates will be literally accredited and certified and will, therefore, be able to practice anywhere with their supervising physicians.

In the program the criteria is rough. The rewards, though, both to the Air Force and eventually to the nation, are priceless.

For further information on the Physician Assistant program or any of the many programs provided by YOUR U.S. Air Force, contact Sergeant Kuczala at 211 W. Water St., Waukegan or just call 623-8290.

Aerial view looking south across Peterson Road, near Libertyville, Ill., shows North Shore Gas Company's 23-acre liquefied petroleum gas facility. The 51 storage tanks can hold more than 2 million gallons of liquid petroleum products, used to produce manufactured gas for supplementing the utility's normal winter deliveries of natural gas. Long plant building at right houses equipment which manufactures the gas. Smaller building at left is one of the North Shore's Service Department centers, serving the Libertyville-Mundelein-Grayslake area.

North Shore Gas Expands LP Facility

North Shore Gas Company recently marked the completion of a \$1.7 million program expanding its liquid petroleum (LP gas) facility near Libertyville with dedication ceremonies attended by state, county, and local officials and other invited guests.

Edwin M. Taber, president of North Shore, served as host for the occasion, which included a tour of the facility, a reception, and luncheon. Some 60 guests were on hand, including David H. Armstrong, chairman of the Illinois Commerce Commission.

The expansion program has involved the installation of 18 new storage tanks of 60,000 gallons each, along with equipment to vaporize the liquid petroleum, compress air, and inject the compatible manufactured fuel into the area's natural gas supply lines. At full operation, the plant can now produce on a daily basis the equivalent of 60 million cubic feet of natural gas, an increase of 100 per cent over its previous capacity and about 20 per cent of North Shore's total send-out capability for a peak-day.

Located on a 23-acre site at Peterson Road and U.S. 45, just northwest of Libertyville, the plant augments North

Shore's normal flow of natural gas during the cold months by injecting additional amounts of manufactured gas into the mains.

The project to double the peak-day output capability of the company's Libertyville plant began last May and was completed in late December.

"The expansion of our LP facility," Mr. Taber said, "will enable North Shore to help meet the growing demand for gas in northeastern Illinois by making available larger amounts of manufactured gas to augment send-outs of natural gas during periods of cold weather. Presently, we have a saturation of 75% in the space heating market, and we are dedicated to increasing this percentage, while at the same time, keeping pace with new construction in our service territory."

Propane is the basic product used by the LP plant to produce manufactured gas. It is delivered in liquid form and arrives at the site in tank trucks or railroad tank cars. An underground pumping system connects the railroad and truck unloading stations with the plant's 51 storage tanks, and unloading 30,000-gallon railroad car takes about six hours.

North Shore Gas built the LP facility in 1963 to produce

supplemental gas during cold weather, a procedure known in the gas industry as "peak shaving." Its capacity was enlarged in 1964 and again in 1965, so that the recently completed expansion program marks the third time that the plant's send-out capacity has been increased since it went into operation.

The LP plant was designed so that, in addition to "peak-shaving," it can also be operated as a "base load" facility. This means that it can be operated for continuous periods throughout the winter.

The operation of the LP gas plant is considered to be one of the most modern in the gas industry and, since the plant was originally constructed, North Shore has counseled other gas companies in incorporating similar features into their facilities.

FROSH MATMEN

UPSET BY BARRINGTON

On Saturday afternoon, Antioch's Freshmen Sequoits suffered their first loss of the year at the hands of Barrington High School by a score of 30-26. The Sequoits were undefeated through their first 11 meets, and had a string of 16 meets without a defeat going back to a January 16, 1971 loss to the same Barrington team. The loss also broke a home winning streak that had gone to 23 meets without a loss.

The Freshmen Sequoits traveled to Grayslake on Friday night to wrestle for first place in the N.W.S.C. When the final match had ended, the Sequoits had bombed the Grayslake Rams by a score of 50-14. The win left the Antioch Freshmen on top of the N.W.S.C. standings with a 5-0 record. Freshmen Coach Steve Wapon felt that, "the team was really up for the Grayslake match. All week everyone worked very hard knowing that Grayslake was undefeated in the N.W.S.C. on all levels. (Frosh, Soph, Varsity) The win was sure a big one. I think on Saturday we might have let down just a little for the non-conference match - and you can't do that against a fine team like Barrington. The kids felt real bad about the win string being broken, but now they will just have to work harder and start another one."

The Freshmen wrestlers travel to Warren High School for an important N.W.S.C. match on Saturday, January 22, at 1:00 p.m.

Barrington match individual scores were: 98-Kost, pinned 5:13; 105-Mehlhorn lost; 112-Shaffer, won 6-2; 119-Lear, lost; 126-Riedlinger, pinned 5:33; 132-Olsen drew; 138-January, lost; 145-Jones, lost; 155-Morgan, lost; 167-Eastman, won 9-4; 185-Weber lost; HWT-Coari won by forfeit. Final score - Barrington-30 - Antioch-26.

Individual scores are:
 98-Kost, pinned 1:59;
 105-Kisner, pinned 5:58;
 112-Shaffer, won 8-0;
 119-Lear, drew 2-2;
 126-Riedlinger, pinned 1:30;
 132-Olsen, pinned 3:20;
 138-Jones, pinned 3:22;
 145-January, won 9-3;
 155-Morgan, lost;
 167-Eastman, won 11-7;
 185-Weber, lost; HWT-Coari, pinned 1:11. Final team score was Antioch 50 - Grayslake 14.

Antioch sophomore wrestling team invaded the Grayslake Rams gym. Friday and emerged with a 37-17 win to move into first place and remain undefeated in NWSC competition.

Grayslake spotted the Sequoits 12 points by forfeiting the 185lb and heavyweight matches. However Antioch didn't need the points to win as they captured 6 of the 10 remaining weights. Mike Beasley and Bill Besse both pinned and Phil Edwards won by 10 points to give the team a comfortable margin.

Other winners for Antioch were Dirk Dietz 6-3 and Bob Sweatman 3-1.

Saturday the Sophs extended their win streak to 10

by defeating Barrington 39-15 giving them an overall record of 10-1 the best of all Antioch's teams.

Double winners for the Sequoits were Phil Edwards, Bob Sweatman, Dave Rush, Mike Beasley, Bill Besse, Bill Armstrong and Glen Nixon. Armstrong and Nixon received double forfeits.

Phil Edwards ran his season record to 13-0 and Bill Besse pinned twice to run his pin record to 9 best on the team. Besse has wrestled a total of 14 matches and has pinned in 11 of them. His record this year is 13-1 losing only to Mundelein.

The team has Friday off but goes to Warren Saturday to put their conference record on the line.

Tom Rayniak spins out of the grasp of Barrington heavyweight on way to an exciting 1-0 decision.

**Grapplers Divide
Barrington
"Puts Bite On"**

Antioch's varsity wrestlers had a rugged weekend as they narrowly squeezed by Grayslake 22-21 on Friday only to be pummeled the following day by Barrington 25-14.

In the first contest against the conference rival Rams, Antioch won a scorching on the merits of Andy Feldman's superiority decision. Andy shackled his opponent by a 13-2 score and the team was awarded one extra point because the decision was by ten or more points.

"It was close all the way," according to varsity coach Ted DeRousse. "Questionable calls on Tim Staples (185lbs.) and Tom Rayniak (heavyweight) gave the Rams wins they shouldn't have had."

Feldman's win was the decisive factor as the one extra point was barely enough to offset the losses by Staples and Rayniak.

Antioch still sits atop the

conference hill with a 5-0 conference record.

Saturday was a bizarre meet for the Sequoits as two of their starters sat it out, on one meet suspension and another was disqualified, along with his opponent for being "over sensitive".

DeRousse commented that "we were flat for this one after the win over Grayslake".

The highlight of Saturday's action was the situation of Keith Larsen trying to pull his opponents head off "a la corkscrew."

Evidently the young man

had been sampling Keith's arm with his teeth. When Keith protested to this shabby treatment the ref leant a deaf ear. Later when his opponent again put the bite on him Larsen tried to convince him to stop by disengaging the anatomical culprit, his head.

The referee thought this cure more harsh than the symptom and gave the boys the day off.

Two of Antioch's finest wrestlers, who shall remain nameless, sat this one out as Coach DeRousse took a poor view of their victory celebration following Friday's win.

My condolences to the two young things that woke up with savage "head colds". Tsk, Tsk, fellas.

The Sequoits will face

another challenge on January 22nd. The opponent will be Warren, there, with the meet scheduled for 1:00 p.m.

ST. PETER'S**WINS 2 — LOSES 1**

On January 15th St. Peter's Basketball team played against St. Joseph's in Libertyville. The scores were: 6th grade - won 26-21; 7th grade won 40-38; and the 8th grade lost 32-14.

The St. Peter's 8th Grade team is playing in a league in Waukegan for more experience. So far they beat Spaulding 34-22 on January 12, and they also beat Immaculate Conception on January 13 by a score of 30-27.

EMMONS ROLLS in CONFERENCE PLAY

The Emmons Raiders opened their conference season with a smashing 80-35 win over Newport.

The Raiders came out in their full court zone press and jumped to a quick 27-5 first quarter lead. This lead expanded to a 54-12 spread at the intermission.

The Emmons bench was emptied in the second half, and the second liners added to the lead in the third quarter to bring the score to 64-24.

During the fourth quarter Emmons added 16 points to break the scoring record for the Big Six Conference.

The Raiders showed a balanced scoring attack with Jon Bodin leading the way with 22 points. Bob Dubek added 12, while Ed Witt banged in 11 for the losers.

Emmons dominated the board game hauling down 55 rebounds to 28 for the Newport Indians. Ken Cash grabbed off 12 rebounds to

lead Emmons. Jeff Eder helped out by pulling off 11.

In the B game Emmons won 26-16. Terry O'Brien bagged 12 points for scoring honors, while Bill Dubek counted for 9. Dale Applehans led the Indians with 6 points.

The raiders are in quest of their second straight basketball title in the Big Six Conference. To date the Raiders have compiled 4-1, won-lost record for the A Team and a 3-2 record for the B Team.

ANGLING RECOGNITION

Fishing in the Metropolitan Miami Fishing Tournament, Harold Walsh, Route 4 won angling recognition when he landed a 32 lb. 1 oz. permit in the General Division. He was fishing out of Key West with Capt. Tommy Lones as guide.

Lions Continuing Physical Fitness Program

Disregarding aching muscles, blisters and heaving chests the Antioch Lions are continuing their free evening physical activity program.

The program is comprised of volleyball and basketball played on a "pick-up" basis. Games are played on Thursday evenings from 7:30 to 9.

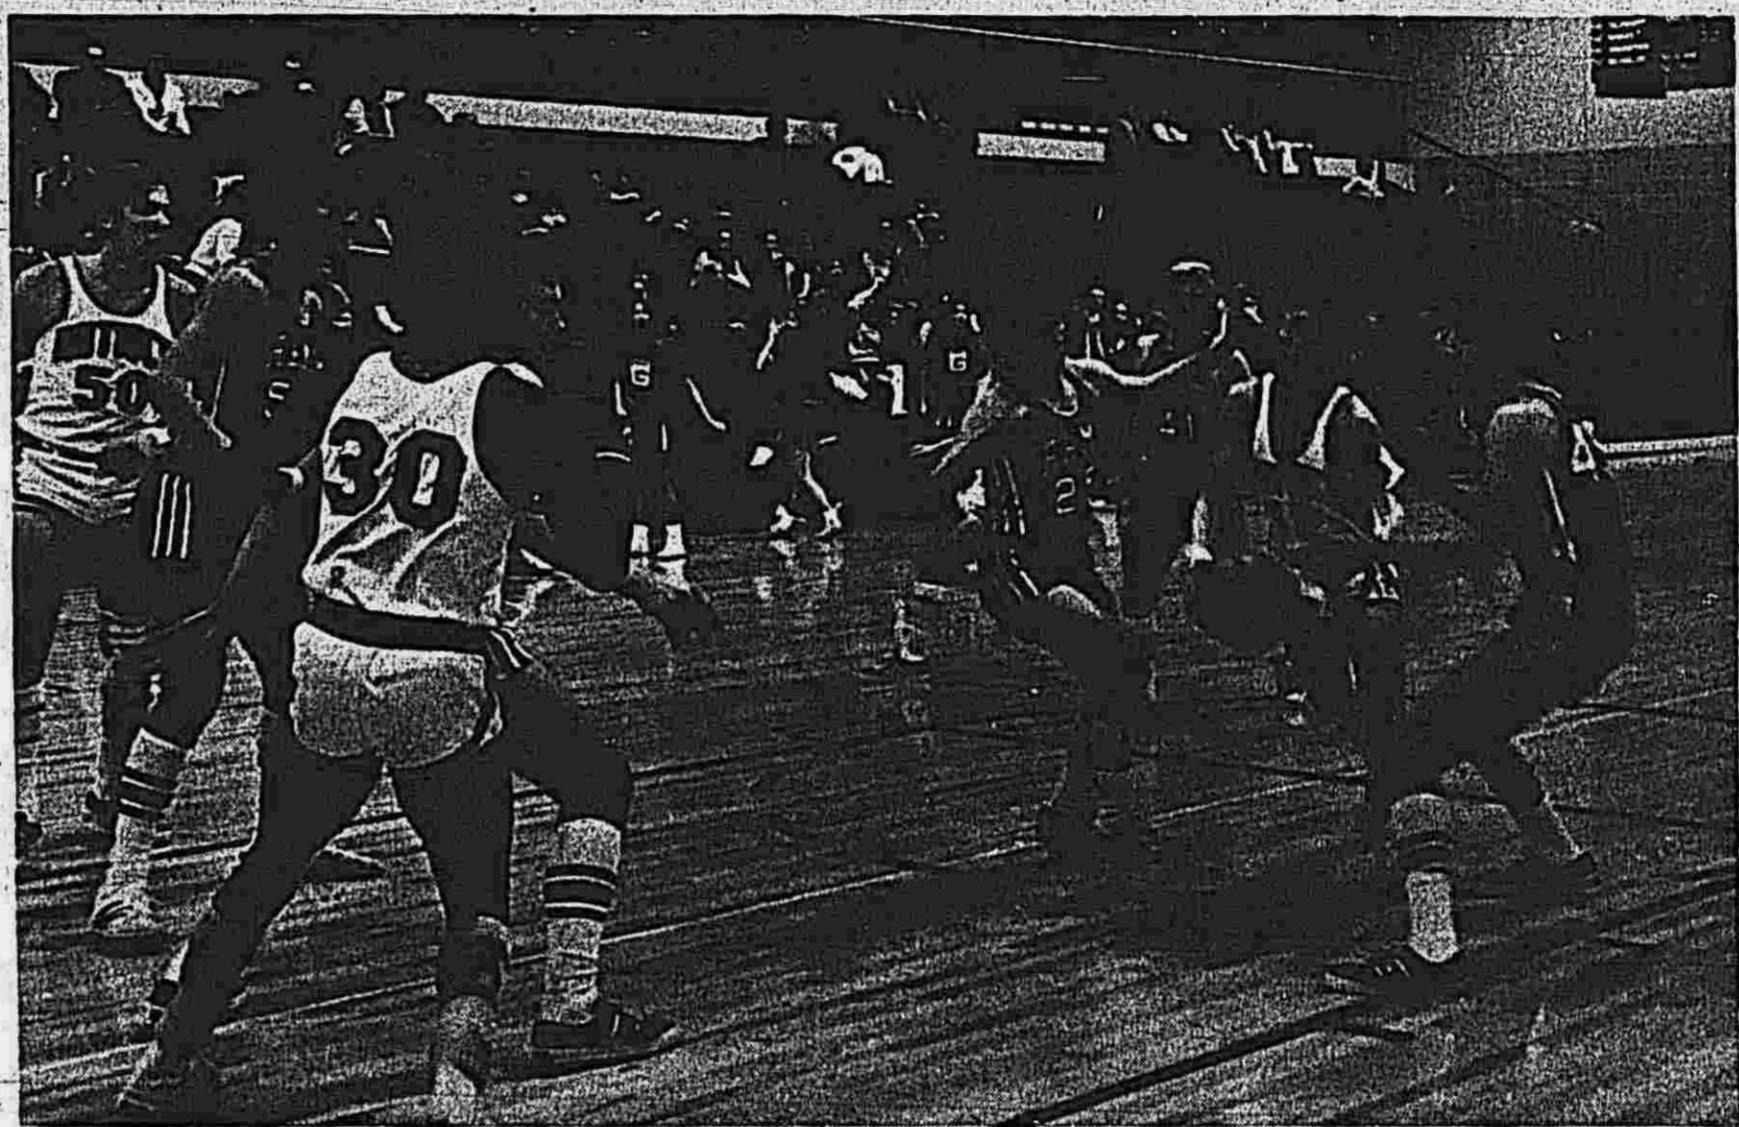

All men and boys, high school age and above are invited to try their hand, free of charge, by the local Lions.

Peter Houlihan, Chairman of the Youth Committee for the

local group, said that the turnout for the first several outings has been "very encouraging."

Houlihan said that while participants numbered around 40-50 nicely, he felt there were "still some men and boys who had not heard of the program."

He urged all interested parties to come to the next program to be held Thursday, January 20th and "see for themselves."

Fred Popp drives up the lane against Grayslake as Jeff Williams (foreground) and Pat Michalak start to move for a possible rebound. (Staff Photo)

MIEURE OUT- SEQUOITS SPLIT

MONO HITS MIEURE

In sports, much as in medicine you can lose an appendage, say a forward or a guard and still replace or repair the damage. However, to my knowledge few teams have lost their heart and come back strong.

This is the challenge facing the Sequoits as the possibility arose that Tim Mieure will see precious little duty for the remainder of the season.

Sophomores Win Two, Lead League

Antioch's league leading sophomores continued their winning ways this past week with a double victory. The Sequoits downed Grayslake 57-43 and squeezed by Wauconda 60-57. The Antioch team upped its conference record to 7-0 and its overall record to 8-6.

Against Grayslake, Antioch rushed to a 28-14 halftime lead and then maintained the point spread to win rather easily. The home team shot a respectable 42 per cent from the field but missed 15 of 24 free throws. Grayslake could hit only 25 per cent of its shots as a harassing Antioch press rattled the Rams. In their eagerness, however, the Sequoits were called for 29 fouls and Grayslake converted 23 of its 29 attempts from the line. Antioch's scoring was spread out with Mike Gutowski and Larry Smith high with 11 points while Bob Bailey added 10 and John Janosko had 9, and Rick Sedar 8. Janosko was the big rebounder with 11.

At Wauconda, the game hardly turned out as it should have. The game matched Antioch 6-0 against Wauconda 0-6. Antioch performed about as it should. The junior Sequoits scored their season high (60 points) shot well from the field (49 per cent), and shot fair from the line (52 per cent). Antioch dominated the boards and led all the way except for a few moments. Why then such a close game? For one thing Antioch was whistled for fourteen violations and committed eighteen

turnovers in all. But of more importance was the outstanding shooting of the Bulldogs. Wauconda shot okay from the freethrow line (56 per cent) and torridly (61 per cent) from the field. Part of this success was due to breaking the Antioch press and some lack of hustle by a few players. Gutowski led all scorers with 23 points. Janosko added eleven and Smith chipped in with nine.

Coach Norm Hahn was proud of his team's showing to date. "I really didn't think we would be undefeated in conference play at the end of the first round," he said. "But we can't sit on our achievements. Warren is right behind us and we must meet a tough Grant team this week." Coach Hahn also singled out a few individuals for praise. "Mike Gutowski is really starting to come. His scoring is increasing and he is making fewer mistakes. He leads the team both in assists and recoveries." Mr. Hahn also noted the scoring ability of Larry Smith, who leads the team in scoring with 215 points, and the rebounding of both Smith and John Janosko. Rick Sedar was singled out for his ball handling ability and good hustle. "I yell a lot at these guys," Hahn commented, "but perhaps I'm just a perfectionist. They have worked hard and if they continue to improve, I think they can win the conference crown."

combination.

Over the weekend the Sequoits were only good enough to split against the bottom teams of the conference: Grayslake and Wauconda.

At the outset of the Grayslake game it was obvious the Sequoits would have their troubles. Even though they bolted to a quick 11-5 lead they didn't look polished.

Grayslake turned the tables on the Sequoits. They rattled off 10 straight points to lead at the quarter 15-11.

FOUL TROUBLE

Pat Michalak got himself in foul trouble early in the second frame and Bill Toman took over the ball handling chores from Dave Koppa.

It was Ken Tell and his timely free throw shooting that kept the Sequoits in the ball game. Michalak's replacement sank four from the charity stripe when the Antioch cagers were trying to come back.

The Sequoits did manage to pull even near the end of the half. However the Rams got a freebee from the line to lead 30-29 as the players sifted toward their half time lectures.

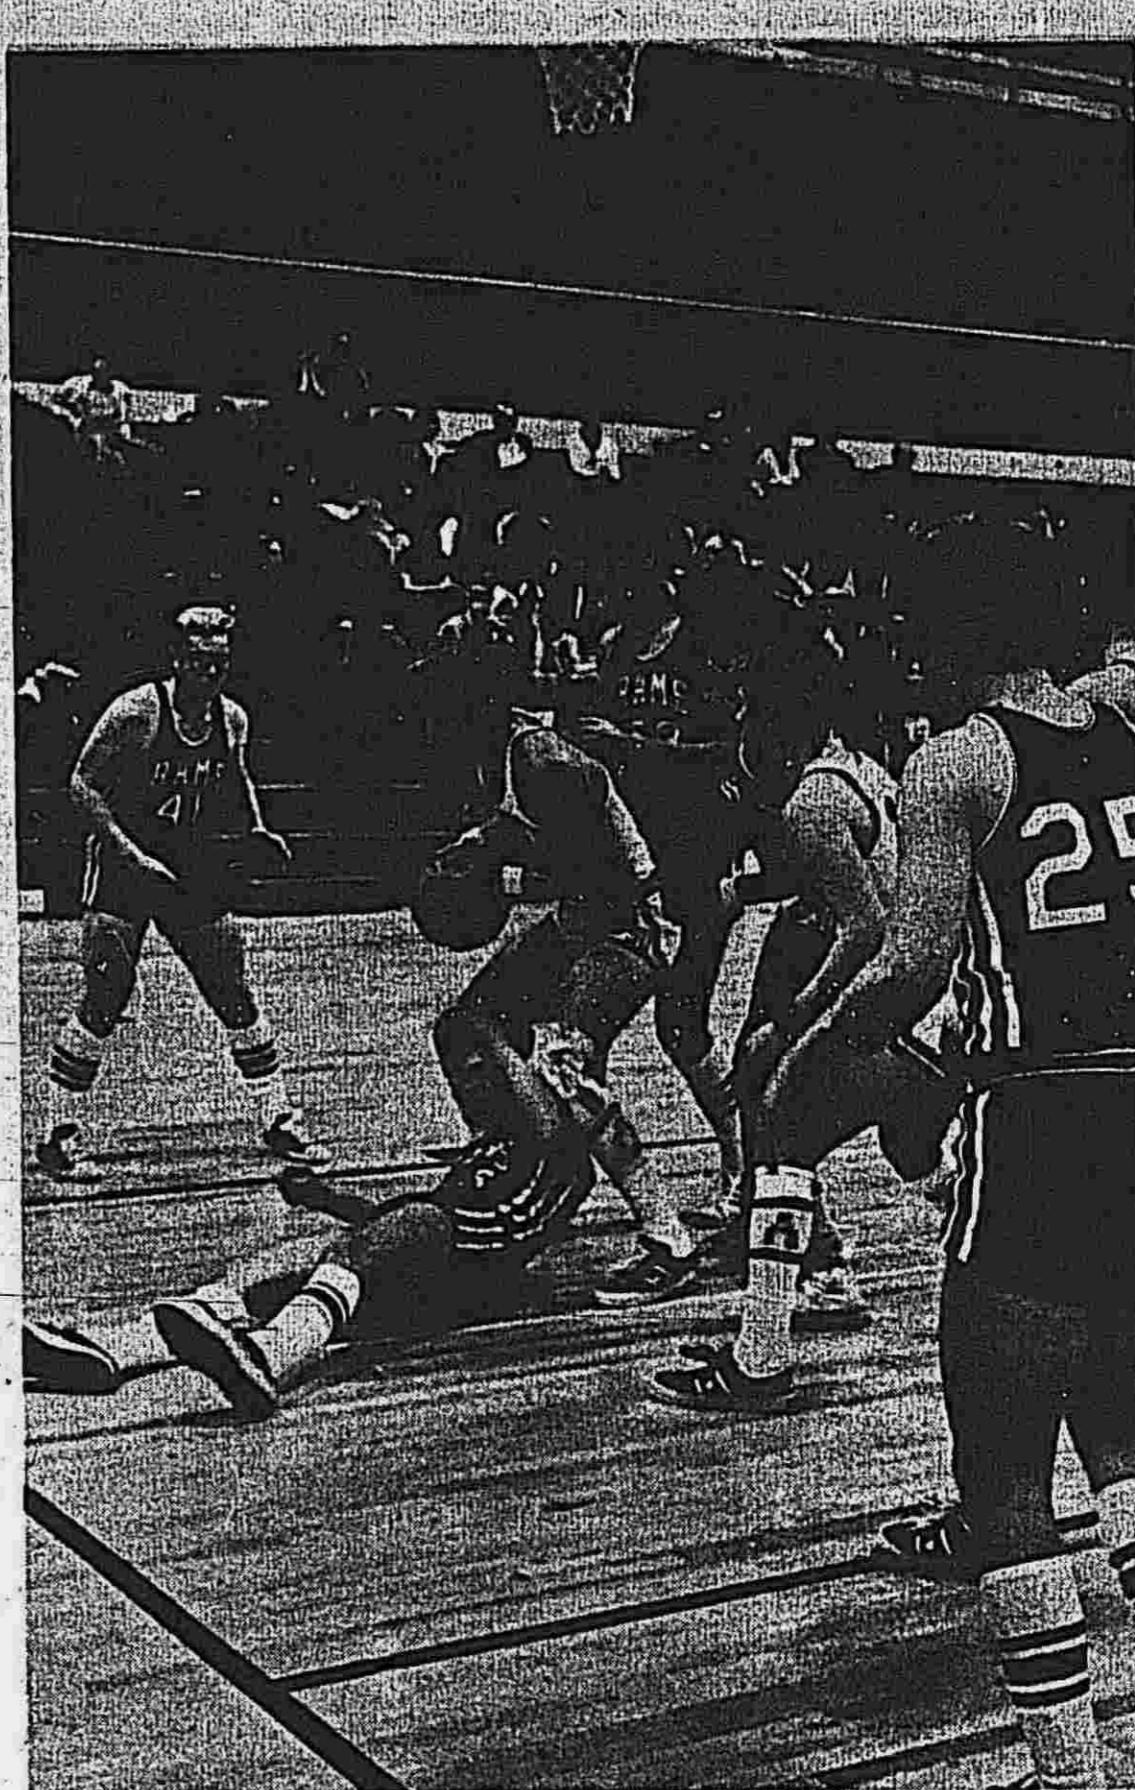

The second half, while sloppy and poorly played, was tilted toward the Sequoits. They limited the Rams to just 7 points in the third quarter, while scoring 11 to lead 40-37.

Midway through the last act the Rams gave Antioch a score closing the gap at 47-45, but they were unable to shift the momentum. Antioch won by ten, 61-51, on a flurry of points in the last two and a half minutes.

STEADYING INFLUENCE

Coach Roger Andrews said that his boys missed the steady influence of Mieure "tremendously."

"He did more things than just score points. He was the floor general, great on defense and was the true team leader. I think the boys looked to him

Pat Michalak comes down with rebound and Grayslake visitor in Friday's win.

for direction."

The Sequoits could have used a little direction in the Wauconda game. They shot only 34 percent from the field, 18 of 53. Mieure's rangefinder was lacking as the usually good shooting Sequoits were cold from the floor.

STATS ARE GRIM

Jeff Williams had another night scoring 17 as he had the night before and leading the jumpers with 16 rebounds. Pat Michalak was also in double figures with 16, but from there down the stats were grim.

The Sequoits played nip and tuck with Wauconda as the score was notted eight times.

The fourth quarter was the real key to this one. The

Sequoits entered down by only two 44-42. However, the Broncos held the hot shooting hand as they buried Antioch outscoring them 18-9 in the final frame to win 62-51.

Andrews is now faced with the task of shoring up his guard problem.

Dave Koppa and Bill Toman are the likely candidates, but unfortunately neither is a Mieure. The Sequoits, who haven't got the outside shot will probably be forced into a high post offense trying to utilize Pat Michalak's scoring potential.

SURPRISES DUE

But take heart Sequoit fans. While Mieure may be out, there
